If UnitedHealthcare Connected® for MyCare Ohio is new for you, you can keep using the doctors you use now for at least 90 days after you enroll. Also, if you already had previous approval to get services, our plan will honor the approval until you get the services. This is called a “transition period.” The New Member Letter included with your **Member Handbook** has more information on the transition periods. If you are on the MyCare Ohio Waiver, your **Member Handbook Supplement** or “Waiver Handbook” also has more information on transition periods for waiver services.

After the transition period, you will need to use doctors and other providers in the UnitedHealthcare Connected® for MyCare Ohio network for most services. A network provider is a provider who works with the health plan. Refer to Chapter 3 for more information on getting care. Member Services can help you find a network provider.

If you are currently using a provider that is not a network provider or if you already have services approved and/or scheduled, it is important that you call Member Services right away so we can arrange the services and avoid any billing issues.

Section G Your care plan

Your care plan is the plan for what health services you will get and how you will get them.

After your health care needs assessment, your care team will meet with you to talk about what health services you need and want. Together, you and your care team will make your care plan.

Definition of network providers

- UnitedHealthcare Connected® for MyCare Ohio’s network providers include:
 - Doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan;
and
 - Home health agencies, durable medical equipment suppliers, and others who provide goods and services that you get through Medicare or Medicaid.

For a full list of network providers, refer to the **Provider and Pharmacy Directory**.

Network providers have agreed to accept payment from our plan for covered services as payment in full.

Network providers should not bill you directly for services covered by the plan. For information about bills from network providers, refer to Chapter 7 page 128.

Definition of network pharmacies

- Network pharmacies are the pharmacies (drug stores) that have agreed to fill prescriptions for our plan members. Use the **Provider and Pharmacy Directory** to find the network pharmacy you want to use.
- Except in an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to pay for them. If it is not an emergency, you can ask us ahead of time to use a non-network pharmacy.

Section J4 List of Covered Drugs

The plan has a **List of Covered Drugs**. We call it the “Drug List” for short. It tells which prescription drugs are covered by UnitedHealthcare Connected® for MyCare Ohio.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to Chapter 5 for more information on these rules and restrictions.

Each year, we will send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, you can visit the plan’s website at **UHCCommunityPlan.com** or call Member Services at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week).

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section J5 Member Handbook Supplement or “Waiver Handbook”

This supplement provides additional information for members enrolled in a home and community based waiver. For example, it includes information on member rights and responsibilities, service plan development, care management, waiver service coordination, and reporting incidents.

Section J6 The Explanation of Benefits

When you use your Part D prescription drug benefits, we will send you a summary to help you understand and keep track of payments for your Part D prescription drugs. This summary is called the **Explanation of Benefits** (or EOB).

The EOB tells you the total amount we, or others on your behalf, have paid for each of your Part D prescription drugs during the month and any copays you have made. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost sharing that may be available. You can talk to your prescriber about these lower cost options. Chapter 6 gives more information about the EOB and how it can help you keep track of your drug coverage.

An EOB is also available when you ask for one. To get a copy, contact Member Services.

Section K How to keep your membership record up to date

You can keep your membership record up-to-date by letting us know when your information changes.

The plan’s network providers and pharmacies need to have the right information about you. **They use your membership record to know what services and drugs are covered and any drug co-pay amounts for you.** Because of this, it is very important that you help us keep your information up-to-date.

Let us know the following:

- Changes to your name, your address, or your phone number
- Changes in any other health insurance coverage, such as from your employer, your spouse’s employer or your domestic partner’s employer, or workers’ compensation
- Admission to a nursing home or hospital
- Care in an out-of-area or out-of-network hospital or emergency room
- Changes in who your caregiver (or anyone responsible for you) is

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). - You are part or become part of a clinical research study (NOTE: You are not required to tell your plan about the clinical research studies you intend to participate in but we encourage you to do so)
- If you have to use a provider for an injury or illness that may have been caused by another person or business. For example, if you are hurt in a car wreck, by a dog bite, or if you slip and fall in a store, then another person or business may have to pay for your medical expenses. When you call we will need to know the name of the person or business at fault as well as any insurance companies or attorneys that are involved.

Section A Information about “services,” “covered services,” “providers,” “network providers,” and “network pharmacies”

Services are health care, long-term services and supports, supplies, behavioral health, prescription and over-the-counter drugs, equipment and other services. Covered services are any of these services that our plan pays for. Covered health care and long-term services and supports are listed in the Benefits Chart in Chapter 4.

Providers are doctors, nurses, and other people who deliver services and care. The term providers also includes hospitals, home health agencies, clinics, and other places that deliver health care services, medical equipment, and long-term services and supports.

Network providers are providers who work with the health plan. These providers have agreed to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you pay nothing for covered services. The only exception is if you have a patient liability for nursing facility or waiver services. Refer to Chapter 4 for more information.

Network pharmacies are pharmacies (drug stores) that have agreed to fill prescriptions for our plan members. Network pharmacies bill us directly for prescriptions you get. When you use a network pharmacy, you only pay the co-pay amount for your prescription drugs. Refer to Chapter 6 for more information.

Section B Rules for getting your health care, behavioral health, and long-term services and supports (LTSS) covered by the plan

UnitedHealthcare Connected® for MyCare Ohio covers health care services covered by Medicare and Medicaid. This includes behavioral health and long-term services and supports.

UnitedHealthcare Connected® for MyCare Ohio will generally pay for the health care and services you get if you follow plan rules. To be covered by our plan:

- The care you get must be a **plan benefit**. Refer to Chapter 4 for information regarding covered benefits, including the plan's Benefits Chart.
- The care must be **medically necessary**. Medically necessary means you need services, supplies, or drugs to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, equipment, or drugs meet accepted standards of medical practice.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- The care you get must be prior authorized by UnitedHealthcare Connected® for MyCare Ohio when required. For some services, your provider must submit information to UnitedHealthcare Connected® for MyCare Ohio and ask for approval for you to get the service. This is called prior authorization (PA). Refer to the chart in Chapter 4 for more information.
- You must choose a network provider to be your **primary care provider (PCP)** to manage your medical care. Although you do not need approval (called a referral) from your PCP to use other providers, it is still important to contact your PCP before you use a specialist or after you have an urgent or emergency department visit. This allows your PCP to manage your care for the best outcomes.
 - To learn more about choosing a PCP, refer to page 33.
- **You must get your care from network providers.** Usually, the plan will not cover care from a provider who does not work with the plan (an out-of-network provider). Here are some cases when this rule does not apply:
 - The plan covers emergency or urgently needed care from an out-of-network provider. To learn more and to find out what emergency or urgently needed care means, refer to Section H, page 37.
 - If you need care that our plan covers and our network providers cannot give it to you, you can get this care from an out-of-network provider. Please contact your Care Manager about this before you get this care. A PA will be required. In this situation, we will cover the care as if you got it from a network provider. To learn about getting approval to use an out-of-network provider, refer to Section D, page 32.
 - The plan covers services you got at out-of-network Federally Qualified Health Centers (FQHC), Rural Health Clinics (RHC), and qualified family planning providers listed in the **Provider and Pharmacy Directory**.
 - If you are getting assisted living waiver services or long-term nursing facility services from an out-of-network provider on and before the day you become a member, you can continue to get the services from that out-of-network provider.
 - The plan covers kidney dialysis services when you are outside the plan's service area or when your provider for this service is unavailable or inaccessible for a short time. You can get these services at a Medicare-certified dialysis facility.
 - If you are new to our plan, you may be able to continue to use your current out-of-network providers for a period of time after you enroll. This is called a "transition period". For more information, refer to Chapter 1 of this handbook and your New Member Letter.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). Section C Information about your care team and care manager

Your care team includes a personal Care Manager and your PCP as part of the core team.

Our goal is to use a person-centered approach to assess and develop a plan of care with you, your family and caregivers. Together your Care Team develops a plan to help meet your needs.

We will get to know your needs by reviewing your current health, mental health, and substance use information. You will receive a welcome call from the Integrated Care Team to verify receipt of Welcome materials and identify any immediate health care, mental health, or substance use care needs.

We will identify what you need to help maintain your health and mental health, and feel as good as possible, including: what types of medications do you need today or in the future? Do you have any medical, mental health or substance use needs that have been planned or recommended by your doctor, mental health or substance use providers?

Everything revolves around your health, mental health, and substance use care needs.

How it works:

- We'll go over your health, mental health, and substance use history and make sure we have everything you need.
- We'll create a customized plan of care based on your individual needs.
- We'll coordinate with family members, caregivers, mental health, substance use, and health care providers.
- We'll help you to make sure you get the services you may need.

Section C1 What care management is

Your Care Manager helps you manage all of your providers and services and helps link you to local resources. They work with your care team to make sure you get the care you need.

UnitedHealthcare Connected® for MyCare Ohio (Medicare-Medicaid Plan) offers care management services to all members. When you first join our plan, you will receive a health care needs assessment within the first 15 to 75 days of your enrollment effective date depending on your health status. Your Care Manager or your Community Health Worker will call you to set this up. Your Community Health Worker will welcome new members to our plan, perform Health Risk Assessments and coordinate members' identified needs with the care management department.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

The Care Manager is the director of your plan of care. Using a computerized assessment tool, your Care Manager documents information that assists your overall care team in assessing your needs and health, mental health, and substance use issues. Your Care Manager also works with your care team to define a plan of care to help meet your needs.

The Care Manager uses the appropriate level of UnitedHealthcare Connected® for MyCare Ohio (Medicare-Medicaid Plan) licensed professionals and health workers to support this effort. They can be a Licensed Social Worker (LSW or LISW), Licensed Counselor (LPC or LPCC), Registered Nurse (RN), Licensed Practical Nurse (LPN), aging/disability specialist, behavioral health specialist, peer support specialist and Community Health Worker. The Care Manager is the accountable point of contact in directing your plan of care.

Section C2 How you can contact your care manager

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). These calls are free.

Section C3 How you will interact with your care manager and care team

We will determine the care coordination team outreach based on your health, mental health, substance use needs, service eligibility, cultural and language needs, family and/or community supports and state program design. Our goal is to identify a care coordinator with the needed clinical specialty and assign them to best meet your needs; however, if you want to change your Care Manager you can call Care Management at **1-877-542-9236 (TTY 711)**.

Since your health, mental health, and substance use care needs may change from time to time, your Care Manager will be responsible for sharing the changes with the care team that assists you. Of course, your input and permission are always considered when sharing your plan of care. In order to coordinate care for you, your Care Team needs to know your most up-to-date plan of care, which may include tests, procedures, and specialist visits. The Care Manager will track and follow your medications, as these can also change from time to time. It is important that you and your Care Team understand your medication changes.

Our goal is to serve our members through a comprehensive and integrated care management program that supports the individuals' choice to live in the least restrictive environment, maintain independence, and help overcome barriers.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section C4 How you can change your care manager

If you would like to change your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY **711**), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). These calls are free.

Section D Care from primary care providers, specialists, other network providers, and out-of-network providers

Section D1 Care from a primary care provider

You must choose a primary care provider (PCP) to provide and manage your care.

Definition of “PCP” and what a PCP does

- A Primary Care Provider (PCP) is a licensed network physician, physician group practice, advance practice nurse, certified nurse practitioner, physician assistant, or advance practice nurse group who is selected by you to provide or coordinate your covered services.
- PCPs are physicians specializing in family/general practice, internal medicine, pediatrics, geriatrics and obstetrics/gynecology (OB/GYN). Under certain circumstances, members may go to other specialists who may be considered as a PCP. An example may be a cardiologist; and you will work with your Care Manager to coordinate services. Sometimes there may be a reason that a specialist may need to be your PCP. A specialist serves as a PCP for members with very complex health care needs. If you and/or your specialist believe that they should be your PCP, you should talk to your Care Manager about this.
- Your relationship with your PCP is an important one because your PCP is responsible for the coordination of your health care and is also responsible for your routine health care needs. You may want to ask your PCP for assistance in selecting a network specialist and follow-up with your PCP after any specialist visits. The provider giving you the care is the person responsible for getting the okay (PA) for the things listed in the Benefit Chart in Chapter 4 as needing one. You will be responsible for developing and maintaining a relationship with your PCP.
- A community-based clinic such as a family practice clinic, Federally Qualified Health Clinic (FQHC) or Rural Health Clinic (RHC), may serve as your PCP. If you choose a clinic, FQHC or RHC, the name of that clinic will appear on your Member ID card. In this instance, you may be seen by any provider within the clinic, FQHC or RHC. Some Primary Care Provider sites may have medical residents, nurse practitioners and provider assistants who will provide care to you under

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

the supervision of your PCP. While you may receive your care in a hospital clinic or community health center (RHC/FQHC/Family Planning clinic), we will try to assign you to a physician at that clinic who will be the primary person responsible for your care.

Your choice of PCP

Upon enrollment, the Plan will help you choose a PCP. Member Services can assist you in the selection of a new PCP whenever necessary. If there is a particular specialist or hospital that you want to use, check first to see if they are in our network of providers.

For a copy of the most recent **Provider and Pharmacy Network Directory**, or for help in selecting a PCP, call Member Services or use our Provider look-up tool online at **UHCCommunityPlan.com**.

Option to change your PCP

You may change your PCP for any reason. You can change your PCP to another network PCP monthly. Also, it's possible that your PCP might leave our plan's network. If your provider leaves our network, we can help you find a new PCP.

If you want to change your PCP, call Member Services. PCP changes within the first month of membership will be effective the date of the request. If you request a PCP change after your first month of membership, the change will be effective on the first day of the next month. You will receive a new membership ID card that shows your new PCP name and phone number.

Section D2 Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

When you and your PCP (Primary Care Provider) agree you need to use another doctor (specialist), they will refer you to that doctor. This means the doctor recommends another doctor for you to use. **You do not need a referral from your PCP to use a network specialist or mental health/substance use provider.** Although you do not need a referral from your PCP to use a network specialist, your PCP can recommend an appropriate network specialist for your medical, mental health, or substance use issues, answer questions you have regarding a network specialist's plan of care and provide follow-up health care as needed. For coordination of care, we recommend you notify your PCP and your Care Team when you use a network specialist. Your Care Team can help you get a PA if you need one.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

A PA means that you must get approval from the plan before getting a specific service or drug. We will make the PA decision and let you and your provider know what we've decided. The provider who is going to do the service for you is responsible for getting the PA. Please look at the Benefits Chart in Chapter 4 for information about which services require PA.

Please refer to the **Provider and Pharmacy Directory** for a listing of plan specialists available through your network, or you may consult the **Provider and Pharmacy Directory** online at the website listed in Chapter 2 of this booklet.

Section D3 What to do when a provider leaves our plan

A network provider you are using might leave our plan. If one of your providers does leave our plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, we must give you uninterrupted access to qualified providers.
- We will notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we will notify you if you have seen that provider within the past three years.
 - If any of your other providers leave our plan, we will notify you if you are assigned to the provider, currently receive care from them, or have seen them within the past three months.
- We will help you select a new qualified in-network provider to continue managing your health care needs.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- If you are currently undergoing medical treatment or therapies with your current provider, you have the right to ask, and we will work with you to ensure, that the medically necessary treatment or therapies you are getting continues.
- We will provide you with information about the different enrollment periods available to you and options you may have for changing plans.
- If we cannot find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs.
- If you believe we have not replaced your previous provider with a qualified provider or that your care is not being appropriately managed, you have the right to make a complaint. Refer to Chapter 9 for information about making an appeal.

If you find out one of your providers is leaving our plan, please contact us so we can assist you in finding a new provider and managing your care. We can be reached at the phone number listed in Chapter 2.

Section D4 How to get care from out-of-network providers

We will only pay for care you get from out-of-network providers if you have followed the rules in the **“You must get your care from network providers”** Section on page 29 in this Chapter. The provider is responsible for calling us and getting any prior authorization (PA) necessary. Please review Chapter 4 for more information on what services need a PA.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Medicaid.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Medicaid.
- If you use a provider who is not eligible to participate in Medicare, you may have to pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

These services can include intensive outpatient, partial hospitalization, community psychiatric support treatment, psychological testing, ambulatory detoxification and methadone maintenance.

Services from non-OhioMHAS that require an authorization include: inpatient mental health, inpatient detoxification, outpatient ECT, intensive outpatient, partial hospitalization, psychological testing, and ambulatory detoxification.

Section H How to get covered services when you have a medical emergency or urgent need for care, or during a disaster

Section H1 Care when you have a medical emergency

Definition of a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your health or, if pregnant, to that of your unborn child; **or**
- serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part; **or**
- in the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.
 - a transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

What to do if you have a medical emergency

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or go to the nearest emergency room or hospital, or other appropriate setting. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP or UnitedHealthcare Connected® for MyCare Ohio. You do not need to use a network provider. You may get emergency medical care whenever you need it, anywhere in the U.S. or its territories from any provider with an appropriate state license.
- Be sure to tell the provider that you are a UnitedHealthcare Connected® for MyCare Ohio member. Show the provider your UnitedHealthcare Connected® for MyCare Ohio Member ID Card.
- **As soon as possible, make sure that you tell our plan about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Also, if the hospital has you stay, please make sure UnitedHealthcare Connected® for MyCare Ohio is called within 48 hours using the phone number on the back of your ID card. However, you will not have to pay for emergency services because of a delay in telling us.

Covered services in a medical emergency

You may get covered emergency care whenever you need it, anywhere in the United States or its territories. If you need an ambulance to get to the emergency room, our plan covers that. To learn more, refer to the Benefits Chart in Chapter 4.

If you have an emergency, we will talk with the doctors who give you emergency care. Those doctors will tell us when your medical emergency is over.

After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by our plan. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible. If the provider that is treating you for an emergency takes care of the emergency but thinks you need other medical care to treat the problem that caused the emergency, the provider must call us as soon as possible.

What to do if you have a behavioral health emergency

If you need mental health and/or substance use services, please call our member services line for assistance (help). You may also self-refer directly to a contracted Ohio Department of Mental Health and Addiction Services (OhioMHAS) certified provider for services. Please call **1-877-542-9236**.

This call is free. The Behavioral Health Crisis Line is available 24 hours a day, 7 days a week, 365 days a year. We have free interpreter services for people who do not speak English.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCCommunityPlan.com**.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You might go in for emergency care and have the doctor say it wasn't really an emergency. As long as you reasonably thought your health or the health of your unborn child was in serious danger, we will cover your care.

However, after the doctor says it was *not* an emergency, we will cover your additional care *only* if:

- you use a network provider, **or**
- the additional care you get is considered "urgently needed care" and you follow the rules for getting this care. (Refer to the next section.)

Section H2 Urgently needed care

Definition of urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or a severe sore throat that occurs over the weekend and need to have it treated.

Urgently needed care when you are in the plan's service area

In most situations, we will cover urgently needed care only if:

- you get this care from a network provider, **and**
- you follow the other rules described in this chapter.

However, if it is not possible or reasonable to get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

You can find a list of the contracted Urgent Care Centers in the Provider and Pharmacy Directory or call Member Services at **1-877-542-9236** (TTY **711**), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). If you do not know whether you need to visit an urgent care center, you can call your PCP or our 24/7 Nurse Hotline services at **1-800-542-8630** (TTY **711**) and your PCP or Nurse Hotline Representative will help you.

Urgently needed care when you are outside the plan's service area

When you are outside the plan's service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other care that you get outside the United States or its territories.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY **711**), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

Section H3 Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from UnitedHealthcare Connected® for MyCare Ohio.

Please visit the following website: **uhc.com/disaster-relief-info** or contact Customer Service for information on how to obtain needed care during a disaster.

During a declared disaster, if you cannot use a network provider, we will allow you to get care from out-of-network providers at no cost to you. If you cannot use a network pharmacy during a declared disaster, you will be able to fill your prescription drugs at an out-of-network pharmacy. Please refer to Chapter 5 for more information.

Section I What to do if you are billed directly for services covered by our plan

Providers should bill us for providing you covered services. You should not get a provider bill for services covered by the plan. If a provider sends you a bill for a covered service instead of sending it to the plan, you can ask us to pay the bill. Call Member Services as soon as possible to give us the information on the bill.

You should not pay the bill yourself. If you do, the plan may not be able to pay you back.

If a provider or pharmacy wants you to pay for covered services, you have already paid for covered services, or if you got a bill for covered services, **refer to Chapter 7 to learn what to do.**

Section I1 What to do if services are not covered by our plan

UnitedHealthcare Connected® for MyCare Ohio covers all services:

- that are medically necessary, **and**
- that are listed in the plan's Benefits Chart (refer to Chapter 4), **and**
- that you get by following plan rules.

If you get services that aren't covered by our plan, **you may have to pay the full cost yourself.**

If you want to know if we will pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Chapter 9 explains what to do if you want the plan to cover a medical item or service. It also tells you how to appeal the plan's coverage decision. You may also call Member Services to learn more about your appeal rights.

We will pay for some services up to a certain limit. If you do not have PA from UnitedHealthcare Connected® for MyCare Ohio to go over the limit, you may have to pay the full cost to get more of that type of service. Call Member Services to find out what the limits are, how close you are to reaching them, and what your provider must do to ask to exceed the limit if they think it is medically necessary.

Section J Coverage of health care services covered when you are in a clinical research study

Section J1 Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study.

Once Medicare approves a study you want to be in, and you express interest, someone who works on the study will contact you. That person will tell you about the study and find out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way you continue to get care from our plan not related to the study.

If you want to participate in any Medicare-approved clinical research study, you do not need to tell us or get approval from us or your primary care provider. The providers that give you care from our plan as part of the study do not need to be network providers. Please note that this does not include benefits for which our plan is responsible that include, as a component, a clinical trial or registry to assess the benefit. These include certain benefits specified under national coverage determinations (NCDs) and investigational device trials (IDE) and may be subject to prior authorization and other plan rules.

We encourage you to tell us before you start participating in a clinical research study.

If you plan to be in a clinical research study, you or your Care Manager should contact Member Services to let us know you will be in a clinical trial.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

Section J2 Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you will pay nothing for the services covered under the study and Medicare will pay for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most items and services you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you are part of a study that Medicare has **not approved**, you will have to pay any costs for being in the study. Ohio Medicaid does not cover clinical research studies.

Section J3 Learning more about clinical research studies

You can learn more about joining a clinical research study by reading “Medicare and Clinical Research Studies” on the Medicare website ([medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf](https://www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf)). You can also call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Section K How your health care services are covered when you get care in a religious non-medical health care institution

Section K1 Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we will cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

Section K2 Getting care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is “non-excepted.”

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- “Non-excepted” medical treatment is any care that is voluntary and not required by any federal, state, or local law.
- “Excepted” medical treatment is any care that is not voluntary and is required under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility, the following applies:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from our plan before you are admitted to the facility or your stay will not be covered.
 - Inpatient Hospital coverage limits are the same as what is in the Benefits Chart in Chapter 4.

Section L Durable medical equipment (DME)

Section L1 DME as a member of our plan

DME includes certain items ordered by a provider such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You will always own certain items, such as prosthetics.

In this section, we discuss DME you must rent. As a member of UnitedHealthcare Connected® for MyCare Ohio, you usually will not own DME, no matter how long you rent it. In certain limited situations, we will transfer ownership of the DME item to you. Call Member Services to find out about the requirements you must meet and the papers you need to provide.

Even if you had the DME for up to 12 months in a row under Medicare before you joined our plan, you will not own the equipment.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCommunityPlan.com**.

Section L2 **DME ownership when you switch to Original Medicare or Medicare Advantage**

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage plan, the plan can set the number of months people must rent certain types of DME before they own it.

Note: You can find definitions of Original Medicare and Medicare Advantage Plans in Chapter 11. You can also find more information about them in the **Medicare & You 2024** handbook. If you don't have a copy of this booklet, you can get it at the Medicare website ([medicare.gov](https://www.medicare.gov)) or by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

You will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the Medicare Advantage plan, to own the DME item if:

- you did not become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or a Medicare Advantage plan.

If you made payments for the DME item under Original Medicare or a Medicare Advantage plan before you joined our plan, **those Original Medicare or Medicare Advantage payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the Medicare Advantage plan to own the DME item.
- There are no exceptions to this case when you return to Original Medicare or Medicare Advantage plan.

Section L3 **Oxygen equipment benefits as a member of our plan**

If you qualify for oxygen equipment covered by Medicare and you are a member of our plan, we will cover the following:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

Section L4 **Oxygen equipment when you switch to Original Medicare or Medicare Advantage**

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you will rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**:

- your supplier must provide the oxygen equipment, supplies, and services for another 24 months.
- your supplier must provide oxygen equipment and supplies for up to 5 years if medically necessary.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- a new 5-year period begins.
- you will rent from a supplier for 36 months.
- your supplier must then provide the oxygen equipment, supplies, and services for another 24 months.
- a new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to a Medicare Advantage plan**, the plan will cover at least what Original Medicare covers. You can ask your Medicare Advantage plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). Section A Your covered services

This chapter tells you what services UnitedHealthcare Connected® for MyCare Ohio covers, how to access services, and if there are any limits on services. You can also learn about services that are not covered. Information about drug benefits is in Chapter 5 and information about what you pay for drugs is in Chapter 6.

Because you get assistance from Medicaid, you generally pay nothing for the covered services explained in this chapter as long as you follow the plan's rules. Refer to Chapter 3 for details about the plan's rules. However, you may be responsible for paying a "patient liability" for nursing facility or waiver services that are covered through your Medicaid benefit. The County Department of Job and Family Services will determine if your income and certain expenses require you to have a patient liability.

If you need help understanding what services are covered or how to access services, please call Member Services at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voice mail available 24 hours a day, 7 days a week) or your Care Manager at **1-877-542-9236**, 24 hours a day, 7 days a week.

Section A1 During public health emergencies

Section B Rules against providers charging you for services

Except as indicated above, we do not allow UnitedHealthcare Connected® for MyCare Ohio providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a covered service.

You should never get a bill from a provider for a covered service. If you do, refer to Chapter 7 or call Member Services.

Section C Our plan's Benefits Chart

The following Benefits Chart in Section D is a general list of services the plan covers. It lists preventive services first and then categories of other services in alphabetical order. It also explains the covered services, how to access the services, and if there are any limits or restrictions on the services. If you can't find the service you are looking for, have questions, or need additional information on covered services and how to access services, contact Member Services or your Care Manager.

We will cover the services listed in the Benefits Chart only when the following rules are met:

- Your Medicare and Medicaid covered services must be provided according to the rules set by Medicare and Ohio Medicaid.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- The services (including medical care, services, supplies, equipment, and drugs) must be a plan benefit and must be medically necessary. Medically necessary means you need the services to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.
 - If UnitedHealthcare Connected® for MyCare Ohio makes a decision that a service is not medically necessary or not covered, you or someone authorized to act on your behalf may file an appeal. For more information about appeals, refer to Chapter 9.
- You get your care from a network provider. A network provider is a provider who works with the health plan. In most cases, the plan will not pay for care you get from an out-of-network provider. Chapter 3 has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care.
- Some of the services listed in the Benefits Chart are covered only if your doctor or other network provider gets approval from us first. This is called prior authorization (PA). Also, some of the services listed in the Benefits Chart are covered only if your doctor or other network provider writes an order or a prescription for you to get the service. If you are not sure whether a service requires PA, contact Member Services or visit our website at **UHCCCommunityPlan.com**.

You do not pay anything for the services listed in the Benefits Chart, as long as you meet the coverage requirements described above. The only exception is if you have a patient liability for nursing facility services or waiver services as determined by the County Department of Job and Family Services.

New technology assessment.

Some medical practices and treatments are not yet proven to be effective. New practices, treatments, tests and technologies are reviewed nationally by UnitedHealthcare Community Plan to make decisions about new medical practices and treatments and what conditions they can be used for. This information is reviewed by a committee of UnitedHealthcare Community Plan doctors, nurses, pharmacists and guest experts who make the final decision about coverage. If you would like more information about how we make decisions about new medical practices and treatments, call us at **1-877-542-9236**, TTY **711**.

Section E Services when you are away from home or outside of the service area

If you are away from home or outside of our service area (refer to Chapter 1) and need medical care please contact your PCP's office or Nurse Hotline for assistance. Remember, if it's an emergency you should go to the nearest ER or call 911. You can also get urgent care services from an out-of-network provider if a network provider is not available where you are. Both emergency and urgent care services are only available within the U.S. and its territories.

Section F Benefits covered outside of UnitedHealthcare Connected® for MyCare Ohio

The following services are not covered by UnitedHealthcare Connected® for MyCare Ohio but are available through Medicare. Call Member Services to find out about services not covered by UnitedHealthcare Connected® for MyCare Ohio but available through Medicare.

Section F1 Hospice care

You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. You can get care from any hospice program certified by Medicare. The plan must help you find Medicare-certified hospice programs. Your hospice doctor can be a network provider or an out-of-network provider. Refer to the Benefits Chart in Section D of this chapter for more information about what UnitedHealthcare Connected® for MyCare Ohio pays for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or B that relate to your terminal prognosis:

- The hospice provider will bill Medicare for your services. Medicare will pay for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or B that are not related to your terminal prognosis:

- The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or B. You pay nothing for these services.

Chapter 5

Getting your outpatient prescription drugs through the plan

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Medicaid. Chapter 6 tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of the **Member Handbook**.

UnitedHealthcare Connected® for MyCare Ohio also covers the following drugs, although they will not be discussed in this chapter:

- Drugs covered by Medicare Part A. These include some drugs given to you while you are in a hospital or nursing facility.
- Drugs covered by Medicare Part B. These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in Chapter 4.

Rules for the plan's outpatient drug coverage

The plan will usually cover your drugs as long as you follow the rules in this section.

1. You must have a doctor or other provider write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider.
2. Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
3. You generally must use a network pharmacy to fill your prescription.
4. Your prescribed drug must be on the plan's **List of Covered Drugs**. We call it the "Drug List" for short.
 - If it is not on the Drug List, we may be able to cover it by giving you an exception. Refer to Chapter 9 to learn about asking for an exception.
5. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain medical references.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). Section A Getting your prescriptions filled

Section A1 Filling your prescription at a network pharmacy

In most cases, the plan will pay for prescriptions **only** if they are filled at the plan's network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan members. You may use any of our network pharmacies.

To find a network pharmacy, you can look in the **Provider and Pharmacy Directory**, visit our website, or contact Member Services.

Section A2 Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy will bill the plan for your covered prescription drug. If you have a copay for a drug, you may need to pay the pharmacy the copay when you pick up your prescription. If you cannot pay for the drug, contact Member Services, or ask the pharmacist to call UnitedHealthcare Connected® for MyCare Ohio's pharmacy help desk right away. We will do what we can to help.

You should **always** show the pharmacy your Member ID Card when you fill a prescription to avoid any problems. If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If you need help getting a prescription filled, you can contact Member Services.

Section A3 What to do if you change a prescription to a different network pharmacy

If you change pharmacies and need a refill of a prescription, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help finding a network pharmacy, you can contact Member Services.

Section A4 What to do if your pharmacy leaves the network

If the pharmacy you use leaves the plan's network, you will have to find a new network pharmacy. To find a new network pharmacy, you can look in the **Provider and Pharmacy Directory**, visit our website, or contact Member Services.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section A5 Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.
 - Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network or you have any difficulty accessing your drug benefits in a long-term care facility, please contact Member Services.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)

To find a specialized pharmacy, you can look in the **Provider and Pharmacy Directory**, visit our website, or contact Member Services.

Section A6 Using mail-order services to get your drugs

Our plan's mail-order service allows you to order up to a 90-day supply. A 31-day supply has the same copay as a one-month supply.

Filling my prescriptions by mail

To get order forms and information about Optum filling your prescriptions by mail, contact our mail service pharmacy, Optum Rx. Optum Rx can be reached at **1-877-889-6358**, or for the hearing impaired, (TTY) **711**, 24 hours a day, 7 days a week.

Optum® Home Delivery is a service of Optum Rx, a home delivery pharmacy, pharmacy benefit manager and affiliate of UnitedHealthcare Insurance Company. You are not required to use Optum Rx for your maintenance medications. Other pharmacies are available in your network.

Usually, a mail-order prescription will get to you within ten business days. However, sometimes your mail-order may be delayed. If your mail-order is delayed, please follow these steps:

If your prescription is on file at your local pharmacy, go to your pharmacy to fill the prescription. If your delayed prescription is not on file at your local pharmacy, then please ask your doctor or provider to call in a new prescription to your pharmacist. Or, your pharmacist can call the doctor's office for you to request the prescription. Your pharmacist can call the pharmacy help desk at **1-877-889-6481** if they have any problems, questions, concerns, or needs a claim override for a delayed prescription.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

Mail-order processes

The mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

1. New prescriptions the pharmacy gets from you

The pharmacy will automatically fill and deliver new prescriptions it gets from you.

2. New prescriptions the pharmacy gets directly from your provider's office

The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, **or**
- You sign up for automatic delivery of all new prescriptions you get directly from health care providers. You may ask for automatic delivery of all new prescriptions now or at any time by calling Member Services.

If you get a prescription automatically by mail that you do not want, and you were not contacted to find out if you wanted it before it shipped, you may be eligible for a refund.

If you used mail-order in the past and do not want the pharmacy to automatically fill and ship each new prescription, please contact us by calling Member Services.

If you have never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

This will give you an opportunity to make sure that the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, please contact us by calling Member Services.

3. Refills on mail-order prescriptions

For refills, please contact your pharmacy at least ten business days before your current prescription will run out to make sure your next order is shipped to you in time.

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you. You should ask the Pharmacy the best way to give them your preference.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

Section A7 Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 31-day supply has the same copay as a one-month supply. The **Provider and Pharmacy Directory** tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

You can use the plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to the section above to learn about mail-order services.

Section A8 Using a pharmacy that is not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- **Prescriptions for a Medical Emergency**

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgently needed care, and are included in our Drug List. Any restrictions will still apply.

- **Coverage when traveling or out of the service area**

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our network mail service pharmacy or through our other network pharmacies. Contact Member Services to find out about ordering your prescription drugs ahead of time.

- If you are traveling within the United States or its territories and become ill or run out of or lose your prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy if you follow all other coverage rules.
- If you are unable to obtain a covered drug in a timely manner within the service area because a network pharmacy is not within reasonable driving distance that provides 24-hour service.
- During a declared disaster, if you get a prescription filled at an out-of-network pharmacy, please call us so we can help you obtain reimbursement for any out of pocket expense you might have incurred, excluding any applicable copay.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- If you are trying to fill a prescription drug not regularly stocked at an accessible network retail or network mail-order pharmacy (including high cost and unique drugs).
- If you need a prescription while a patient in an emergency department, provider based clinic, outpatient surgery, or other outpatient setting.

In these cases, please check first with Member Services to find out if there is a network pharmacy nearby.

If you use an out-of-network pharmacy, you may have to pay the full cost instead of a copay when you get your prescription.

If you were unable to use a network pharmacy and had to pay for your prescription, refer to Chapter 7.

Section B The plan's Drug List

The plan has a **List of Covered Drugs**. We call it the “Drug List” for short.

The drugs on the Drug List are selected by the plan with the help of a team of doctors and pharmacists. The Drug List also tells you if there are any rules you need to follow to get your drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

Section B1 Drugs on the Drug List

The Drug List includes the drugs covered under Medicare Part D and some prescription and over-the-counter drugs covered under your Medicaid benefits.

The Drug List includes brand name drugs and generic drugs.

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Brand name drugs that are more complex than typical drugs (for example, drugs that are based on a protein) are called biological products. On the Drug List, when we refer to “drugs,” this could mean a drug or a biological product such as vaccines or insulin.

Generic drugs have the same active ingredients as brand name drugs. Generally, generics work just as well as brand name drugs and usually cost less. There are generic drug substitutes available for many brand name drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Our plan also covers certain over-the-counter drugs and products. Some over-the-counter drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

Section B2 How to find a drug on the Drug List

To find out if a drug you are taking is on the Drug List, you can:

- Check the most recent Drug List we sent you in the mail.
- Visit the plan's website at **UHCCommunityPlan.com**. The Drug List on the website is always the most current one.
- Call Member Services to find out if a drug is on the plan's Drug List or to ask for a copy of the list.
- Use our "Real Time Benefit Tool" at **myuhc.com/CommunityPlan** or call your care coordinator or Member Services. With this tool you can search for drugs on the Drug List to get an estimate of what you will pay and if there are alternative drugs on the Drug List that could treat the same condition.

Section B3 Drugs that are not on the Drug List

The plan does not cover all prescription drugs. Some drugs are not on the Drug List because the law does not allow the plan to cover those drugs. In other cases, we have decided not to include a drug on the Drug List.

UnitedHealthcare Connected® for MyCare Ohio will not pay for the drugs listed in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you must pay for it yourself. If you think we should pay for an excluded drug because of your case, you can file an appeal. (To learn how to file an appeal, refer to Chapter 9.)

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Part D and Medicaid drugs) cannot pay for a drug that would already be covered under Medicare Part A or Part B. Drugs covered under Medicare Part A or Part B are covered by UnitedHealthcare Connected® for MyCare Ohio for free, but they are not considered part of your outpatient prescription drug benefits.
2. Our plan cannot cover a drug purchased outside the United States and its territories.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

3. The use of the drug must be either approved by the Food and Drug Administration or supported by certain medical references as a treatment for your condition. Your doctor might prescribe a certain drug to treat your condition, even though it was not approved to treat the condition. This is called off-label use. Our plan usually does not cover drugs when they are prescribed for off-label use.

Also, by law, the types of drugs listed below are not covered by Medicare or Medicaid.

- Drugs used to promote fertility
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra®, Cialis®, Levitra®, and Caverject®
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs when the company who makes the drugs says that you have to have tests or services done only by them

Section B4 Drug List cost sharing tiers

Every drug on the plan's Drug List is in one of three cost-sharing tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter drugs). In general, the higher the tier, the higher your cost for the drug.

- Tier 1 drugs have the lowest copay. They are generic drugs. The copay will be from \$0 to \$4.50, depending on your income level.
- Tier 2 drugs have the highest copay. They are brand name drugs. The copay will be from \$0 to \$11.20, depending on your income level.
- Tier 3 drugs have a copay of \$0. They are OTCs/Non-Part D Drugs.

To find out which cost-sharing tier your drug is in, look for the drug in the plan's Drug List.

Chapter 6 tells the amount you pay for drugs in each cost-sharing tier.

Section C Limits on some drugs

For certain prescription drugs, special rules limit how and when the plan covers them. In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug will work just as well as a higher-cost drug, the plan expects your provider to prescribe the lower-cost drug.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider think our rule should not apply to your situation, you should ask us to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

To learn more about asking for exceptions, refer to Chapter 9.

1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug works the same as a brand name drug and usually costs less. If there is a generic version of a brand name drug, our network pharmacies will give you the generic version.

- We usually will not pay for the brand name drug when there is a generic version.
- However, if your provider has told us the medical reason that the generic drug will not work for you or has written “No substitutions” on your prescription for a brand name drug or has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug.
- Your copay may be greater for the brand name drug than for the generic drug.

Generally, a generic drug works the same as a brand name drug and usually costs less. In most cases, if there is a generic version of a brand name drug, our network pharmacies will give you the generic version.

- We usually will not pay for the brand name drug when there is a generic version.
- However, if your provider has told us the medical reason that the generic drug will not work for you **or** has written “No substitutions” on your prescription for a brand-name drug **or** has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug.
- Your copay may be greater for the brand name drug than for the generic drug.

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from UnitedHealthcare Connected® for MyCare Ohio before you fill your prescription. If you don’t get approval, UnitedHealthcare Connected® for MyCare Ohio may not cover the drug.

3. Trying a different drug first

In general, the plan wants you to try lower-cost drugs (that often are as effective) before the plan covers drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, the plan may require you to try Drug A first. If Drug A does not work for you, the plan will then cover Drug B. This is called step therapy.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCommunityPlan.com**.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, the plan might limit how much of a drug you can get each time you fill your prescription. To find out if any of the rules above apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Member Services or check our website at **UHCCommunityPlan.com**.

Section D Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug might not be covered in the way that you would like it to be. For example:

- The drug you want to take is not covered by the plan. The drug might not be on the Drug List. A generic version of the drug might be covered, but the brand name version you want to take is not. A drug might be new and we have not yet reviewed it for safety and effectiveness.
- The drug is covered, but there are special rules or limits on coverage for that drug. As explained in the section above, some of the drugs covered by the plan have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception to a rule.

There are things you can do if your drug is not covered in the way that you would like it to be.

Section D1 Getting a temporary supply

In some cases, the plan can give you a temporary supply of a drug when the drug is not on the Drug List or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask the plan to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you have been taking:
 - is no longer on the plan's Drug List, **or**
 - was never on the plan's Drug List, **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - You were in the plan last year.
 - We will cover a temporary supply of your drug **during the first 90 days of the calendar year**.
 - This temporary supply will be for up to at least 30 days.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
- Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You are new to the plan.
 - We will cover a temporary supply of your drug **during the first 90 days of your membership in the plan.**
 - This temporary supply will be for up to 31 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in the plan for more than 90 days and live in a long-term care facility and need a supply right away.
 - We will cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
 - For current members with level of care changes: There may be unplanned transitions such as hospital discharges or level of care changes that happen while you are a member in our plan. If you are prescribed a drug that is not on our Drug List or your ability to get your drugs is limited, you must use the plan's exception process. You may ask for a one-time emergency supply of up at least 31 days to allow you time to discuss this with your doctor or to ask for a Drug List exception.
 - To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, you should talk with your provider to decide what to do when your supply runs out. Here are your choices:

- You can change to another drug.

There may be a different drug covered by the plan that works for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

- You can ask for an exception.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCommunityPlan.com**.

You and your provider can ask the plan to make an exception. For example, you can ask the plan to cover a drug even though it is not on the Drug List. Or you can ask the plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

If you are a current member and a drug you are taking will be removed from the formulary or restricted in some way for next year, we will allow you to request a formulary exception in advance for next year. We will tell you about any change in the coverage for your drug for next year. You can ask for an exception before next year and we will give you an answer within 72 hours after we receive your request (or your prescriber's supporting statement). If we approve your request, we will authorize the coverage before the change takes effect.

To learn more about asking for an exception, refer to Chapter 9.

If you need help asking for an exception, you can contact Member Services.

Section E Changes in coverage for your drugs

Most changes in drug coverage happen on January 1, but UnitedHealthcare Connected® for MyCare Ohio may add or remove drugs on the Drug List during the year. We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization (PA) or approval for a drug. (PA is permission from UnitedHealthcare Connected® for MyCare Ohio before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).

For more information on these drug rules, refer to Section C earlier in this chapter.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when the Drug List changes, you can always:

- Check UnitedHealthcare Connected® for MyCare Ohio's up to date Drug List online at **UHCCommunityPlan.com** **or**
- Call Member Services to check the current Drug List at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week).

Some changes to the Drug List will happen **immediately**. For example:

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same or will be lower.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
- You or your provider can ask for an “exception” from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to Chapter 9 of this handbook for more information on exceptions.

- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug’s manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. If you are notified that a drug you are taking has been taken off the market, you should talk to your doctor or other prescriber.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on the Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List **or**
- Let you know and give you a 30 day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List you can take instead **or**
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, refer to Chapter 9.

We may make changes that do not affect the drugs you take now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year**.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCommunityPlan.com**.

For example, if we remove a drug you are taking, increase what you pay for the drug, or limit its use, then the change will not affect your use of the drug or what you pay for the drug for the rest of the year.

Section F Drug coverage in special cases

Section F1 If you are in a hospital or a skilled nursing facility for a stay that is covered by the plan

If you are admitted to a hospital or skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. You will not have to pay a copay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of our rules for coverage.

To learn more about drug coverage and what you pay, refer to Chapter 6.

Section F2 If you are in a long-term care facility

Usually, a long-term care facility, such as a nursing home, has its own pharmacy or a pharmacy that supplies drugs for all of its residents. If you are living in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your **Provider and Pharmacy Directory** to find out if your long-term care facility's pharmacy is part of our network. If it is not, or if you need more information, please contact Member Services.

Section F3 If you are in a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- If you are enrolled in a Medicare hospice and require a certain drugs (e.g., a pain medication, anti-nausea drugs, laxative, or anti-anxiety drugs) that are not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

If you leave hospice, our plan should cover all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify that you have left hospice. Refer to the previous parts of this chapter that tell about the rules for getting drug coverage under Part D.

To learn more about the hospice benefit, refer to Chapter 4, Section D, page 71.

Section G Programs on drug safety and managing drugs

Section G1 Programs to help members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you are taking another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications

If we find a possible problem in your use of prescription drugs, we will work with your provider to correct the problem.

Section G2 Programs to help members manage their drugs

If you take medications for different medical conditions and/or you are in a Drug Management Program to help you use your opioid medications safely, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications. You'll also get a personal medication list that will include all the medications you're taking and why you take them. In addition, you'll get information about safe disposal of prescription medications that are controlled substances.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to members that qualify. If we have a program that fits your needs, we will enroll you in the program and send you information. If you do not want to be in the program, please let us know, and we will take you out of the program.

If you have any questions about these programs, please contact Member Services or your Care Manager.

Section G3 Drug management program to help members safely use their opioid medications

UnitedHealthcare Connected® for MyCare Ohio has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications **from certain pharmacies** and/or **certain doctors**
- **Limiting the amount** of those medications we will cover for you

If we think that one or more limitations should apply to you, we will send you a letter in advance. The letter will tell you if we will limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we will send you another letter that confirms the limitations.

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice care, palliative, or end-of-life, **or**
- live in a long-term care facility.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCommunityPlan.com**.

Chapter 6

What you pay for your Medicare and Medicaid prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, **and**
- drugs and items covered under Medicaid

Because you are eligible for Medicaid, you are getting “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of the **Member Handbook**.

To learn more about prescription drugs, you can look in these places:

- The plan’s **List of Covered Drugs**. We call this the “Drug List.” It tells you:
 - Which drugs the plan pays for
 - Which of the three cost-sharing tiers each drug is in
 - Whether there are any limits on the drugs

If you need a copy of the Drug List, call Member Services. You can also find the Drug List on our website at **UHCCommunityPlan.com**. The Drug List on the website is always the most current.

- Chapter 5 of this **Member Handbook**.
 - Chapter 5, Introduction, page 97, tells how to get your outpatient prescription drugs through the plan.
 - It includes rules you need to follow. It also tells which types of prescription drugs are not covered by our plan.
- The plan’s **Provider and Pharmacy Directory**.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that have agreed to work with our plan.
 - The **Provider and Pharmacy Directory** has a list of network pharmacies. You can read more about network pharmacies in Chapter 5, Section A, page 99.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- When you use the plan's "Real Time Benefit Tool" to look up drug coverage (refer to Chapter 5, Section B2), the cost shown is provided in "real time" meaning the cost displayed in the tool reflects a moment in time to provide an estimate of the out-of-pocket costs you are expected to pay. You can call your care coordinator or Member Services for more information.

Section A The Explanation of Benefits (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions, plus the amount the plan pays.

When you get prescription drugs through the plan, we send you a summary called the **Explanation of Benefits**. We call it the EOB for short. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost sharing that may be available. You can talk to your prescriber about these lower cost options. The EOB includes:

- **Information for the month**. The summary tells what prescription drugs you got for the previous month. It shows the total drug costs, what the plan paid, and what you and others paying for you paid.
- **“Year-to-date” information**. This is your total drug costs and the total payments made since January 1.
- **Drug Price Information**. This is the total price of the drug and the percentage change in the drug price since the first fill.
- **Lower Cost Alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.
 - We offer coverage of drugs not covered under Medicare. For more details on Medicare Part D out-of-pocket costs, refer to the Drug List. To find out which drugs our plan covers, refer to the Drug List.

Section B How to keep track of your drug costs

To keep track of your drug costs and the payments you make, and that Medicare pays for you, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This will help us know what prescriptions you fill, what you pay, and what Medicare pays for you.

2. Make sure we have the information we need.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Give us copies of receipts for covered drugs that you have paid for. You should give us copies of your receipts when you buy covered drugs at an out-of-network pharmacy.

If you were unable to use a network pharmacy and had to pay for your prescription, refer to Chapter 7, Section A, page 127, for information about what to do.

3. Check the EOBs we send you.

When you get an **EOB** in the mail, please make sure it is complete and correct. If you think something is wrong or missing or if you have any questions, please call Member Services. Be sure to keep these EOBs. They are an important record of your drug expenses.

Section C Drug payment stages for Medicare Part D drugs

There are two payment stages for your Medicare Part D prescription drug coverage under UnitedHealthcare Connected® for MyCare Ohio. How much you pay depends on which stage you are in when you get a prescription filled or refilled. These are the two stages:

Stage 1: Initial Coverage Stage	Stage 2: Catastrophic Coverage Stage
During this stage, the plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay. You begin in this stage when you fill your first prescription of the year.	During this stage, the plan pays all of the costs of your drugs through December 31, 2024. You begin this stage when you have paid a certain amount of out-of-pocket costs.

Section C1 The plan's cost-sharing tiers

Cost-sharing tiers are groups of drugs with the same copay. Every drug in the plan's Drug List is in one of three tiers. In general, the higher the tier number, the higher the copay. To find cost-sharing tiers for your drugs, you can look in the Drug List.

- Tier 1 drugs have the lowest copay. They are generic drugs. The copay is from \$0 to \$4.50 depending on your income.
- Tier 2 drugs have the highest copay. They are brand name drugs. The copay is from \$0 to \$11.20 depending on your income.
- Tier 3 drugs have a copay of \$0. They are over-the-counter/Non-Part D drugs.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

Section C2 Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 90-day supply. It costs you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5, Section A, page 99, or the **Provider and Pharmacy Directory**.

Section C3 What you pay

You may pay a copay when you fill a prescription. If your covered drug costs less than the copay, you will pay the lower price. If you have a copay for a drug, you will need to pay the pharmacy the copay when you pick up your prescription. If you cannot pay for the drug, contact Member Services, or ask the pharmacist to call UnitedHealthcare Connected® for MyCare Ohio’s pharmacy help desk right away. We will do what we can to help.

You can contact Member Services to find out how much your copay is for any covered drug.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Your share of the cost when you get a *one-month or long-term* supply of a covered prescription drug from:

	A network pharmacy A one-month or up to a 30-day supply	The plan's mail-order service A one-month or up to a 90-day supply	A network long-term care pharmacy Up to a 31-day supply	An out-of-network pharmacy Up to a 30-day supply. Coverage is limited to certain cases. Refer to Chapter 5, Section A, page 99, for details.

Section D Stage 1: The Initial Coverage Stage

During the Initial Coverage Stage, the plan pays a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay. The copay depends on what tier the drug is in and how you get it.

Section D1 The plan's cost-sharing tiers

Cost-sharing tiers are groups of drugs with the same copay. Every drug in the plan's Drug List is in one of three cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, you can look in the Drug List.

- Tier 1 drugs have the lowest copay. They are generic drugs. The copay is from \$0 to \$4.50 depending on your income.
- Tier 2 drugs have the highest copay. They are brand name drugs. The copay is from \$0 to \$11.20 depending on your income.
- Tier 3 drugs have a copay of \$0. They are OTCs/Non-Part D drugs.

Section D2 Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is up to a 90-day supply. It costs you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5, Section A, page 99, or the **Provider and Pharmacy Directory**.

Section D3 What you pay

During the Initial Coverage Stage, you will pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you will pay the lower price.

You can contact Member Services to find out how much your copay is for any covered drug.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section D4 End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$8,000. At that point, the Catastrophic Coverage Stage begins. For more details on the Catastrophic Coverage, refer to Section E below. The plan covers all your drug costs from then until the end of the year.

Your EOBs will help you keep track of how much you have paid for your drugs during the year. We will let you know if you reach the \$8,000 limit. Many people do not reach it in a year. At the start of each new calendar year, the amount of money you have paid in your Initial Coverage Stage will reset to zero.

Section E Stage 2: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of \$8,000 for your prescription drugs, the Catastrophic Coverage Stage begins. You will stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, the plan will pay all of the costs for your Medicare drugs.

Section F Your drug costs if your doctor prescribes less than a full month's supply

Typically, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you are trying a drug for the first time that is known to have serious side effects).
- If your doctor agrees, you will not have to pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay will be based on the number of days of the drug that you get. We will calculate the amount you pay per day for your drug (the "daily cost sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is a little less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment will be a little less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.
- Daily cost sharing allows you to make sure a drug works for you before you have to pay for an entire month's supply.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- You can also ask your provider to prescribe less than a full month's supply of a drug, if this will help you :
 - better plan when to refill your drugs,
 - coordinate refills with other drugs you take, **and**
 - take fewer trips to the pharmacy

Section G Vaccinations

Important message about what you pay for vaccines: Some vaccines are considered medical benefits. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in the plan's List of Covered Drugs (Formulary). Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's List of Covered Drugs (Formulary) or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

Section G1 What you need to know before you get a vaccination

We recommend that you call us first at Member Services whenever you are planning to get a vaccination.

- We can tell you about how your vaccination is covered by our plan and explain your share of the cost.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies are pharmacies that have agreed to work with our plan. A network provider is a provider who works with the health plan. A network provider should work with UnitedHealthcare Connected® for MyCare Ohio to ensure that you do not have any upfront costs for a Part D vaccine.

Section G2 What you pay for a vaccination

What you pay for a vaccination depends on the type of vaccine (what you are being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in Chapter 4, Immunizations, page 55.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in the plan's Drug List. You may have to pay a copay for Medicare Part D vaccines. If the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP) then the vaccine will cost you nothing.

Here are three common ways you might get a Medicare Part D vaccination.

1. You get the Medicare Part D vaccine at a network pharmacy and get your shot at the pharmacy.
 - For most adult Part D vaccines, you will pay nothing.
 - For other Part D vaccines, you will pay nothing or a copay.
 - Some states do not allow pharmacies to give shots.
2. You get the Medicare Part D vaccine at your doctor's office and the doctor gives you the shot.
 - You will pay nothing to the doctor for the vaccine.
 - Our plan will pay for the cost of giving you the shot.
 - The doctor's office should call our plan in this situation so we can make sure they know you only have to pay nothing for the vaccine.
3. You get the Medicare Part D vaccine itself at a pharmacy and take it to your doctor's office to get the shot.
 - For most adult Part D vaccines, you will pay nothing for the vaccine itself.
 - For other Part D vaccines, you will pay a copay for the vaccine.
 - Our plan will pay for the cost of giving you the shot.

Chapter 7

Asking us to pay a bill you have gotten for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of the **Member Handbook**.

Table of Contents

Section A	Asking us to pay for your services or drugs	127
Section B	How to avoid payment problems	129

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section A Asking us to pay for your services or drugs

Except for any drug copays you owe, you should not get a bill for in-network services or drugs. Our network providers must bill the plan for the services and drugs you already got. A network provider is a provider who works with the health plan.

If you get a bill for the full cost of health care or drugs, except for bills for any drug copays you owe, call Member Services or send the bill to us. To send us a bill, refer to Chapter 2, Section A, page 17.

- If you have not paid the bill, we will pay the provider directly if the services or drugs are covered and you followed all the rules in the **Member Handbook**.
- If you have paid more than your share of the cost, the services or drugs are covered, and you followed all the rules in the **Member Handbook**, it is your right to be paid back.
- If the services or drugs are **not** covered, we will tell you.

Contact Member Services if you have any questions. If you get a bill for drug copays that you think you do not owe, or if you get a bill and you do not know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are some examples of times when you may need to ask our plan to assist you with a payment you made or a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

You should always tell the provider you are a member of UnitedHealthcare Connected® for MyCare Ohio and ask the provider to bill the plan.

- If you pay the full amount when you get the care, you can ask to have the full amount refunded. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you have already paid for the service, we will work with the provider to refund your payment except for any drug copays you owe.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

2. When a network provider sends you a bill

Network providers must always bill the plan for covered services. Show your UnitedHealthcare Connected® for MyCare Ohio Member ID Card when you get any services or prescriptions. Improper/inappropriate billing occurs when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. **Call Member Services if you get any bills.**

- Because UnitedHealthcare Connected® for MyCare Ohio pays the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- We do not allow providers to add separate charges, called "balance billing." This is true even if we pay the provider less than the provider charged for a service. If we decide not to pay for some charges, you still do not have to pay them.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you have already paid a bill from a network provider, send us the bill and proof of any payment you made. We will work with the provider to refund your payment amount for your covered services except for any drug copays you owe.

3. When you use an out-of-network pharmacy to get a prescription filled in an emergency situation

- We will cover prescriptions filled at out-of-network pharmacies in emergency situations only. If you go to an out-of-network pharmacy and try to use your member ID to fill a prescription, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. (We cover prescriptions filled at out-of-network pharmacies only in a few special situations.) If you have already paid the pharmacy bill, please call Member Services. They will help you ask to be paid back for the out-of-pocket cost. You will need to send us the bill and proof of any payment you made. We will work with the pharmacy to refund your payment amount for your covered services except for any drug co-pays you owe.

Examples are:

- Prescriptions for a Medical Emergency

We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgently needed care, and are included in our Drug List. Restrictions may apply.

- Coverage when traveling or out of the service area

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of the drug before you leave. When possible, take along all the medication you will need. You may be able to order your prescription drugs ahead of time through our network preferred mail service pharmacy or through our other network pharmacies. Contact Member Services to find out about ordering your prescription drugs ahead of time.

- If you are traveling within the United States and become ill or run out of or lose your prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy if you follow all other coverage rules.
- If you are unable to obtain a covered drug in a timely manner within the service area because a network pharmacy is not within reasonable driving distance that provides 24-hour service.
- During a declared disaster, if you get a prescription filled at an out-of-network pharmacy, please call us so we can help you obtain reimbursement for any out of pocket expense you might have incurred, excluding any applicable copay.
- If you are trying to fill a prescription drug not regularly stocked at a network retail or network preferred mail-order pharmacy (including high cost and unique drugs).
- If you need a prescription while a patient in an emergency department, provider based clinic, outpatient surgery, or other outpatient setting.

You can always contact Member Services at **1-877-542-9236** (TTY **711**) if you are being asked to pay for services, get a bill, or have any questions. You can use the form on page 208 or ask Member Services to send you a form if you want to send us the information about the bill. You can also submit the information through our website at **UHCCommunityPlan.com**.

Section B How to avoid payment problems

1. Always ask the provider if the service is covered by UnitedHealthcare Connected® for MyCare Ohio.

Except in an emergency or urgent situation, do not agree to pay for a service unless you have asked UnitedHealthcare Connected® for MyCare Ohio for a coverage decision (refer to Chapter 9, Section E2, page 168), got a final decision that the service is not covered, and decided that you still want the service even though the plan does not cover it.

2. Get plan approval before going to an out-of-network provider.

- Exceptions to this rule are:
 - if you need out-of-network emergency or urgent care services, or

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- if you get services at Federally Qualified Health Centers, Rural Health Clinics, qualified family planning providers listed in **the Provider and Pharmacy Directory**.
- If you get care from an out-of-network provider, ask the provider to bill UnitedHealthcare Connected® for MyCare Ohio.
 - If the out-of-network provider is approved by UnitedHealthcare Connected® for MyCare Ohio, you should not have to pay anything.
 - If the out-of-network provider will not bill UnitedHealthcare Connected® for MyCare Ohio and you pay for the service, call Member Services as soon as possible to let us know.
- Please remember that in most situations you must get plan approval before you can use an out-of-network provider. Therefore, unless you need emergency or urgent care, are in your transition of care period, or the provider does not require prior approval (PA) as indicated above, we may not pay for services you get from an out-of-network provider.

If you have questions about your transition of care period, whether you need approval to use a certain provider, or need help in finding a network provider, call Member Services.

If you get care from an out-of-network provider, ask the provider to bill UnitedHealthcare Connected® for MyCare Ohio. If the out-of-network provider is approved by UnitedHealthcare Connected® for MyCare Ohio, you should not have to pay anything. If the out-of-network provider will not bill UnitedHealthcare Connected® for MyCare Ohio and you pay for the service, call Member Services as soon as possible to let us know.

3. Follow the rules in the Member Handbook when getting services.

Refer to Chapter 3, Section B, page 28, for the rules about getting your health care, behavioral health, and other services. Refer to Chapter 5, Introduction, page 97, for the rules about getting your outpatient prescription drugs.

4. Use the Provider and Pharmacy Directory to find network providers.

If you do not have a **Provider and Pharmacy Directory**, you can call Member Services to ask for a copy or go online at **UHCCommunityPlan.com** for the most up-to-date information.

5. Always carry your member ID card and show it to the provider or pharmacy when getting care.

If you forgot your member ID card, ask the provider to call the plan or look up your information on our provider website. If your card is damaged, lost, or stolen, call Member Services right away and we will send you a new card.

Section H2

Your right to say what you want to happen if you are unable to make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to **give someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how you want them to handle your health care if you become unable to make decisions for yourself.

The legal document that you can use to give your directions is called an advance directive. There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

- **Get the form.** You can get a form from your doctor, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicare or Medicaid may also have advance directive forms. The forms are also currently available on the following website: **proseniors.org/advance-directives.**
- **Fill it out and sign the form.** The form is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to people who need to know about it.** You should give a copy of the form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family members. Keep a copy at home.
- If you are going to be hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**

The hospital will ask you whether you have signed an advance directive form and whether you have it with you.

If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice to fill out an advance directive or not.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCCommunityPlan.com**.

Section H3 What to do if your instructions are not followed

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint with the Ohio Department of Health by calling **1-800-342-0553** or emailing **HCComplaints@odh.ohio.gov**.

ADVANCE DIRECTIVES

You Have the Right

Using Advance Directives to State Your Wishes About Your Medical Care

People often worry about the medical care they would get if they became too sick to make their wishes known.

Some people may not want to spend months or years on life support. Others may want every step taken to lengthen life.

You can state your medical care wishes in writing while you are healthy and able to choose. Your health care facility must explain your right to state your wishes about medical care. It also must ask you if you have put your wishes in writing.

This document explains your rights under Ohio law to accept or refuse medical care. The document also explains how you can state your wishes about the care you would want if you could not choose for yourself. This document does not contain legal advice, but will help you understand your rights under the law.

What are my rights to choose my medical care?

You have the right to choose your own medical care. If you do not want a certain type of care, you have the right to tell your doctor you do not want it.

What if I'm too sick to decide? What if I cannot make my wishes known?

Most people can make their wishes about their medical care known to their doctors. But, some people become too sick to tell their doctors about the type of care they want. Under Ohio law, you have the right to fill out a form while you are able to act for yourself. The form tells your doctors what you want done if you can't make your wishes known.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

What kinds of forms are there?

Under Ohio law, there are four different forms, or advance directives, you can use: a Living Will, a Do Not Resuscitate (DNR) Order, a Health Care Power of Attorney (also known as a Durable Power of Attorney for Health Care) and a Declaration for Mental Health Treatment. You fill out an advance directive while you are able to act for yourself. The advance directive lets your doctor and others know your wishes about medical care.

Do I have to fill out an advance directive before I get medical care?

No. No one can make you fill out an advance directive. You decide if you want to fill one out.

Who can fill out an advance directive?

Anyone 18 years old or older who is of sound mind and can make his or her own decisions can fill one out.

Do I need a lawyer?

No, you don't need a lawyer to fill out an advance directive.

Do the people giving me medical care have to follow my wishes?

Yes, if your wishes follow state law. However, a person giving you medical care may not be able to follow your wishes because they go against his or her conscience. If so, they will help you find someone else who will follow your wishes.

Living Will

A Living Will states how much you want to use life-support methods to lengthen your life. It takes effect only when you are:

- In a coma that is not expected to end, –OR–
- Beyond medical help with no hope of getting better and can't make your wishes known, –OR–
- Expected to die and are not able to make your wishes known.

The people giving you medical care must do what you say in your Living Will. A Living Will gives them the right to follow your wishes. Only you can change or cancel your Living Will. You can do so at any time.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Do Not Resuscitate Order

A Do Not Resuscitate (DNR) Order is an order written by a doctor or, under certain circumstances, a certified nurse practitioner or clinical nurse specialist, that instructs health care providers not to do cardiopulmonary resuscitation (CPR). In Ohio, there are two types of DNR Orders: (1) DNR Comfort Care, and (2) DNR Comfort Care–Arrest. You should talk to your doctor about DNR options.

Health Care Power of Attorney

A Health Care Power of Attorney is different from other types of powers of attorney. This document talks only about a Health Care Power of Attorney, not about other types of powers of attorney.

A Health Care Power of Attorney allows you to choose someone to carry out your wishes for your medical care. The person acts for you if you cannot act for yourself. This could be for a short time period or for a long time period.

Who should I choose?

You can choose any adult relative or friend whom you trust to act for you when you cannot act for yourself. Be sure to talk with the person about what you want. Then write down what you do or do not want. You should also talk to your doctor about what you want. The person you choose must follow your wishes.

When does my Health Care Power of Attorney take effect?

The form takes effect only when you can't choose your care for yourself. The form allows your relative or friend to stop life support only in the following circumstances:

- If you are in a coma that is not expected to end, –OR–
- If you are expected to die.

Declaration for Mental Health Treatment

A Declaration for Mental Health Treatment gives more specific attention to mental health care. It allows you, while capable, to appoint a representative to make decisions on your behalf when you lack the capacity to make a decision. In addition, the declaration can set forth certain wishes regarding treatment. For example, you can indicate medication and treatment preferences, and preferences concerning admission/retention in a facility.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCCommunityPlan.com**.

What is the difference between a Health Care Power of Attorney and a Living Will?

Your Living Will explains, in writing, your wishes about the use of life-support methods if you are unable to make your wishes known. Your Health Care Power of Attorney lets you choose someone to carry out your wishes for medical care when you cannot act for yourself.

If I have a Health Care Power of Attorney, do I need a Living Will, too?

You may want both. Each addresses different parts of your medical care.

Can I change my advance directives?

Yes, you can change your advance directives whenever you want. It is a good idea to look over your advance directives from time to time to make sure they still say what you want and that they cover all areas.

If I don't have an advance directive, who chooses my medical care when I can't?

Ohio law allows your next-of-kin to choose your medical care if you are expected to die and cannot act for yourself.

Where do I get advance directive forms?

Many of the people and places that give you medical care have advance directive forms. You may also be able to get these forms from Midwest Care Alliance's website at: **midwestcarealliance.org**.

What do I do with my forms after filling them out?

You should give copies to your doctor and health care facility to put into your medical record. Give one to a trusted family member or friend. If you have chosen someone in a Health Care Power of Attorney, give that person a copy. Put a copy with your personal papers. You may want to give one to your lawyer or clergy person. Be sure to tell your family and friends about what you have done. Do not just put these forms away and forget about them.

Organ and Tissue Donation

Ohioans can choose whether they would like their organs and tissues to be donated to others in the event of their death. By making their preference known, they can ensure that their wishes will be carried out immediately and that their families and loved ones will not have the burden of making this decision at an already difficult time. Some examples of organs that can be donated are the heart, lungs, liver, kidneys and pancreas. Some examples of tissues that can be donated are skin, bone, ligaments, veins and eyes.

There are two ways to register to become an organ and tissue donor:

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- (1) You can state your wishes for organ and/or tissue donation when you obtain or renew your Ohio Driver License or State I.D. Card, –OR–
- (2) You may register online for organ donation through the Ohio Donor Registry website: **donatelifeohio.org**.

Section I Your right to make complaints and to ask us to reconsider decisions we have made

Chapter 9 tells what you can do if you have any problems or concerns about your covered services or care. For example, you could ask us to make a coverage decision, make an appeal to us to change a coverage decision, or make a complaint. We will also send you a notice when you can make an appeal directly to the Bureau of State Hearings within the Ohio Department of Job and Family Services.

You have the right to get information about appeals and complaints that other members have filed against our plan. To get this information, call Member Services.

Section I1 What to do if you believe you are being treated unfairly or you would like more information about your rights

You are free to exercise all of your rights knowing that UnitedHealthcare Connected® for MyCare Ohio, our network providers, Medicare, and the Ohio Department of Medicaid will not hold it against you.

 - Give them the information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all of the drugs you are taking. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you do not understand the answer, ask again.
- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act with respect in your doctor's office, hospitals, and other providers' offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:

- **Tell us if you move.** If you are going to move, it is important to tell us right away. Call Member Services.

 - Also, be sure to let Medicare and Medicaid know your new address when you move. Refer to Chapter 2 for phone numbers for Medicare and Medicaid.
 - **If you move within our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you. Refer to Section K in Chapter 1 for more information. You must also notify your County Caseworker at the local Department of Job and Family Services.
- Call Member Services for help if you have questions or concerns.

Section J1 Estate recovery program

Section A What to do if you have a problem

This chapter tells you what to do if you have a problem with your plan or with your services or payment. Medicare and Medicaid approved these processes. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Section A1 About the legal terms

There are difficult legal terms for some of the rules and deadlines in this chapter. Many of these terms can be hard to understand, so we have used simpler words in place of certain legal terms. We use abbreviations as little as possible.

For example, we will say:

- “Making a complaint” rather than “filing a grievance”
- “Coverage decision” rather than “organization determination,” “benefit determination,” “at-risk determination,” or “coverage determination”
- “Fast coverage decision” rather than “expedited determination”

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

Section B Where to call for help

Section B1 Where to get more information and help

Sometimes it can be confusing to start or follow the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step. You can contact any of the following resources for help.

 - If you want your doctor or other provider to act on your behalf for an appeal of services covered by Medicaid only or for a Medicaid State Hearing, you must name them as your representative in writing.
- You can talk to a friend or family member. A friend or family member can ask for a coverage decision, an appeal, or submit a complaint on your behalf if you name them as your “representative.”
 - If you want someone to be your representative, call Member Services and ask for the “Appointment of Representative” form. You can also get the form by visiting **cms.gov/Medicare/Appeals-and-Grievances/MMCAG/Notices-and-Forms** or on our website at **UHCCommunityPlan.com**. Section C Problems with your benefits

Section C1 Using the process for coverage decisions and appeals or for making a complaint

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The chart below will help you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?

(This includes problems about whether particular medical care (medical items, services and/or Part B prescription drugs) are covered or not, the way in which they are covered, and problems related to payment for medical care.)

Yes. My problem is about benefits or coverage.

Refer to **Section D: “Coverage decisions and appeals”** on page 163.

No. My problem is not about benefits or coverage.

Skip ahead to **Section J: “How to make a complaint”** on page 203.

Section D Coverage decisions and appeals

Section D1 Overview of coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage for your medical care (services, items and Part B prescription drugs, including payment).

What is a coverage decision?

A coverage decision is an initial decision we make about your benefits and coverage or about the amount we will pay for your medical services, items, or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay.

If you or your doctor are not sure if a service, item, or drug is covered by Medicare or Medicaid, either of you can ask for a coverage decision before the doctor gives the service, item, or drug.

What is an appeal?

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. For example, we might decide that a service, item, or drug that you want is not medically necessary, not a covered benefit, or is no longer covered by Medicare or Medicaid. If you or your doctor disagree with our decision, you can appeal.

How can I get help with coverage decisions and appeals?

If you need help, you can contact any of the resources listed in Section B1 of this Chapter, page 160.

Section D2 Using the section of this chapter that will help you

There are four different types of situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We separate this chapter into different sections to help you find the rules you need to follow. **You only need to read the section that applies to your problem:**

- **Section E on page 166** gives you information if you have problems getting medical care or items, dental or vision services, behavioral health services, long-term services and supports, and prescription drugs (but **not** Part D drugs). For example, use this section if:
 - You are not getting medical care you want, and you believe our plan covers this care.
 - We did not approve services, items, or drugs that your doctor wants to give you, and you believe this care should be covered.
 - **NOTE:** Only use Section E for problems with drugs **not** covered by Part D. Drugs in the **List of Covered Drugs**, also known as the Drug List, with an asterisk (*) are **not** covered by Part D. Refer to Section F on page 181 for Part D drug appeals.
 - You got medical care or services you think should be covered, but we are not paying for this care.
 - You got and paid for medical services or items you thought were covered, and you want to ask us to pay for the services so your payment can be refunded.
 - You are being told that coverage for care you have been getting will be reduced or stopped, and you disagree with our decision.
 - **NOTE:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. Refer to Sections G and H on pages 190 and 196.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- Your request for a coverage decision might be dismissed, which means we won't review the request. Examples of when we might dismiss your request are: if your request is incomplete, if someone makes the request for you but hasn't given us proof that you agreed to allow them to make the request, or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why, and how to ask for a review of the dismissal. This review is a formal process called an appeal.
- **Section F** on page **181** gives you information if you have problems about Part D drugs. For example, use this section if:
 - You want to ask us to make an exception to cover a Part D drug that is not on our Drug List.
 - You want to ask us to waive limits on the amount of the drug you can get.
 - You want to ask us to cover a drug that requires prior approval (PA).
 - We did not approve your request or exception, and you or your doctor or other prescriber thinks we should have.
 - You want to ask us to pay for a prescription drug you already bought so your payment can be refunded. (This is asking for a coverage decision about payment.)
- **Section G** on page **190** gives you information on how to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon. Use this section if:
 - You are in the hospital and think the doctor asked you to leave the hospital too soon.
- **Section H** on page **196** gives you information if you think your home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

If you're not sure which section you should use, please call Member Services at **1-877-542-9236** (TTY **711**), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week).

If you need other help or information, please call the MyCare Ohio Ombudsman at **1-800-282-1206** (TTY Ohio Relay Service: **1-800-750-0750**).

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

What you can do: You can ask us to make a coverage decision. Refer to Section E2 on page 168 for information on asking for a coverage decision.

6. You got and paid for medical services or items you thought were covered, and you want us to work with the provider to refund your payment.

What you can do: You can ask us to work with the provider to refund your payment. Refer to Chapter 7, Section A, page 127 of this section for information on asking for payment.

7. We reduced, suspended, or stopped your coverage for a certain service or item, and you disagree with our decision.

What you can do: You can appeal our decision to reduce, suspend, or stop the service or item. Refer to Section E3 on page 170 for information on making an appeal.

NOTE: If we tell you that previously approved services or items will be reduced, suspended, or stopped before you receive all of the services or items that were approved, you may be able to continue to get the services and items during the appeal. Read “Will my benefits continue during Level 1 appeals” on page 174.

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Read Sections G or H on pages 190 and 196 to find out more.

8. We did not make a coverage decision within the timeframes we should have.

Also, if your problem is about coverage of a Medicaid service or item, you can ask for a State Hearing. Refer to Section E4 on page 175 for information on asking for a State Hearing. - You can call us at: **1-877-542-9236** TTY: **711** (8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). Member Services also has free language interpreter services available for non-English speakers.

Remember, you must complete the Appointment of Representative form to appoint someone as your authorized representative. We will also accept a letter or other appropriate form to authorize your representative. For more information, refer to Section B1 on page 160.

How long does it take to get a coverage decision?

We will make a standard coverage decision on Medicaid or Medicare Part B prescription drugs within 72 hours after we receive your request.

We will make a standard coverage decision on all other services and items within 10 calendar days after you asked. If we don't give you our decision within 10 calendar days (or 72 hours for a Medicare Part B prescription drug), you can appeal.

You or your provider can ask for more time, or we may need more time to make a decision. If we need more time, we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Can I get a coverage decision faster?

Yes. If you need a response faster because of your health, ask us to make a “fast coverage decision.” If we approve the request, we will notify you of our decision within 24 hours for Medicaid or Medicare Part B prescription drugs and within 48 hours for all other services and items.

The legal term for “fast coverage decision” is “**expedited determination.**”

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

Except for fast coverage decisions for Medicaid drugs, you or your provider can ask for more time or we may need more time to make a decision. If we need more time, we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Asking for a fast coverage decision:

- If you request a fast coverage decision, start by calling or faxing our plan to ask us to cover the care you want.
- You can call us at **1-877-542-9236 (TTY 711)** (8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week) or fax us at Standard Fax: **844-226-0356**, Expedited Fax: **1-866-373-1081**. For details on how to contact us, refer to Chapter 2 on page 16.
- You can also have your doctor or your authorized representative call us.

Here are the rules for asking for a fast coverage decision:

You must meet the following two requirements to get a fast coverage decision:

1. You can get a fast coverage decision **only if you are asking for coverage for medical items and/or services you have not yet received**. (You cannot ask for a fast coverage decision if your request is about payment for items or services you already got.)
2. You can get a fast coverage decision **only if the standard deadlines could cause serious harm to your health or hurt your ability to function**. The standard deadlines are 72 hours for Medicaid or Medicare Part B prescription drugs and 10 calendar days for all other services and items.
 - If your doctor says that you need a fast coverage decision, we will automatically give you one.
 - If you ask for a fast coverage decision without your doctor's support, we will decide if you get a fast coverage decision.
 - If we decide that your health does not meet the requirements for a fast coverage decision, we will send you a letter. We will also use the standard deadlines (72 hours for a Medicaid or Medicare Part B prescription drugs) instead to make our decision.
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- The letter will also tell how you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about the process for making complaints, including fast complaints, refer to Section J on page 203.

If the coverage decision is No, how will I find out?

If the answer is **No**, we will send you a letter telling you our reasons for saying **No**.

- If we say **No**, you have the right to ask us to change this decision by making an appeal. Making an appeal means asking us to review our decision to deny coverage.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (read the next section for more information).

Section E3 Level 1 Appeal for services, items, and drugs (not Part D drugs)

What is an Appeal?

An appeal is a formal way of asking us to review our coverage decision and change it if you think we made a mistake. If you, your authorized representative, or your doctor or other provider disagree with our decision, you can appeal. You can also appeal our failure to make a coverage decision within the timeframes we should have. We will send you a notice in writing whenever we take an action or fail to take an action that you can appeal.

NOTE: If you want your doctor or other provider to act on your behalf for an appeal of services covered by Medicaid only, you must name them as your representative in writing. Read “Can someone else make the appeal for me” on page 171 for more information.

If you need help during the appeals process, you can call the MyCare Ohio Ombudsman at **1-800-282-1206** (TTY Ohio Relay Service: **1-800-750-0750**). The MyCare Ohio Ombudsman is not connected with us or with any insurance company or health plan.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

What is a Level 1 Appeal?

A Level 1 Appeal is the first appeal to our plan. We will review your coverage decision to find out if it is correct. The reviewer will be someone who did not make the original coverage decision. When we complete the review, we will give you our decision in writing.

How do I make a Level 1 Appeal?

- To start your appeal, you, your authorized representative, or your doctor or other provider must contact us. You can call us at **1-877-542-9236 (TTY 711)** 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week) or write to us at the following address:

UnitedHealthcare Community Plan
Attn: Complaint and Appeals Department
PO Box 6103
MS CA124-0187
Cypress, CA 90630

Fax-Expedited: **1-866-373-1081**

- If you decide to write to us, you can draft your own letter or you can use the appeal/complaint form on page 208. Be sure to include your first and last name, the number from the front of your UnitedHealthcare Connected® for MyCare Ohio Member ID Card, and your address and telephone number. You should also include any information that helps explain your problem.
- For additional details on how to reach us for appeals, refer to Chapter 2 on page 16.
- You can ask us for a “standard appeal” or a “fast appeal.”

The legal term for “fast appeal” is “**expedited reconsideration.**”

Can someone else make the appeal for me?

Yes. Your doctor or other provider can make the appeal for you. Also, someone else can make the appeal for you, but first you must complete an Appointment of Representative form. The form gives the other person permission to act for you.

If we don't get this form, and someone is acting for you, your appeal request will be dismissed. If this happens, you have a right to have someone else review our dismissal. We will send you a written notice explaining your right to ask the Independent Review Organization to review our decision to dismiss your appeal.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCCommunityPlan.com**.

To get an Appointment of Representative form, call Member Services and ask for one, or visit the Medicare website at **cms.gov/Medicare/Appeals-and-Grievances/MMCAG/Notices-and-Forms** or our website at **UHCCommunityPlan.com**. We will also accept a letter or other appropriate form to authorize your representative.

If the appeal comes from someone besides you or your doctor or other provider that requested the service, we must get your written authorization before we can review the appeal. For services covered by Medicaid only, if you want your doctor, other provider, or anyone else to act on your behalf, we must get your written authorization.

How much time do I have to make an appeal?

You must ask for an appeal **within 60 calendar days** after the date on the letter we sent to tell you our decision.

If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of a good reason are: you had a serious illness, or we gave you the wrong information about the deadline for requesting an appeal. You should explain the reason your appeal is late when you make your appeal.

NOTE: If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing. Read “Will my benefits continue during Level 1 appeals” on page 174 for more information.

Can I get a copy of my case file?

Yes. Ask us for a copy by calling Member Services at **1-877-542-9236 (TTY 711)** 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week).

Can my doctor give you more information about my appeal?

Yes, you and your doctor may give us more information to support your appeal.

How will we make the appeal decision?

We take a careful look at all of the information about your request for coverage of medical care. Then, we check to find out if we were following all the rules when we said **No** to your request. The reviewer will be someone who did not make the original decision.

If we need more information, we may ask you or your doctor for it.

When will I hear about a “standard” appeal decision?

We must give you our answer within 15 calendar days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug). We will give you our decision sooner if your health condition requires us to.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- However, if you or your provider asks for more time or if we need to gather more information, we may take up to 14 more calendar days. If we decide we need to take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your appeal is for Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 203.
- If we do not give you an answer to your appeal within 15 calendar days (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug) or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item (refer to Section E4 on page 175). You will be notified when this happens. If your problem is about coverage of a Medicaid service or item, you can ask for a State Hearing (refer to Section E4 on page 175).

You can also file a complaint about our failure to make an appeal decision within the required timeframe (refer to Section J on page 203).

At a glance: How to make a Level 1 Appeal

You, your doctor, or your representative may put your request in writing and mail or fax it to us. You may also ask for an appeal by calling us.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- If you appeal because we told you that a service you currently get will be changed or stopped, **you have fewer days to appeal** if you want to keep getting that service while your appeal is processing.

Keep reading this section to learn about what deadline applies to your appeal.

If our answer is Yes to part or all of what you asked for, we must approve the service within 15 calendar days after we get your appeal (or within 7 days after we get your appeal for a Medicare Part B prescription drug).

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal (refer to Section E4 on page 175). If your problem is about coverage of a Medicaid service or item, the letter will tell you that you can also request a State Hearing (refer to Section E4 on page 175).

When will I hear about a “fast” appeal decision?

If you ask for a fast appeal, we will give you our answer within 72 hours after we get all information needed to decide your appeal. We will give you our answer sooner if your health requires us to do so.

- However, if you or your provider asks for more time or if we need to gather more information, we may take up to 14 more calendar days. If we take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a “fast complaint” about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 203.
- If we do not give you an answer to your appeal within 72 hours or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about coverage of a Medicare service or item (refer to Section E4 on page 175). You will be notified when this happens. If your problem is about coverage of a Medicaid service or item, you can ask for a State Hearing (refer to Section E4 on page 175).

You can also file a complaint about our failure to make an appeal decision within the required timeframe (refer to Section J on page 203).

If our answer is Yes to part or all of what you asked for, we must authorize the coverage within 72 hours after we get your appeal.

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal (refer to Section E4 on page 175). If your problem is about coverage of a Medicaid service or item, the letter will tell you that you can also request a State Hearing (refer to Section E4 on page 175).

Will my benefits continue during Level 1 appeals?

Yes, if you meet certain requirements. If we previously approved coverage for a service but then decided to change or stop the service before the authorization period expired, we will send you a notice at least 15 days in advance of taking the action. You, your authorized representative, or your doctor or other provider must **ask for an appeal on or before the later of the following** to continue the service during the appeal:

- Within 15 calendar days of the mailing date of our notice of action; **or**
- The intended effective date of the action.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

If your benefits are continued, you can keep getting the service until one of the following happens: 1) you withdraw the appeal; or 2) 15 calendar days pass after we notify you that we said **No** to your appeal.

Note: Sometimes your benefits may continue even if we say **No** to your appeal. If the service is covered by Medicaid and you ask for a State Hearing, you may be able to continue your benefits until the Bureau of State Hearings makes a decision. If the service is covered by both Medicare and Medicaid, your benefits will continue during the Level 2 appeal process. For more information, refer to Section E4 on page 175.

Section E4 Level 2 Appeal for services, items, and drugs (not Part D drugs)

If the plan says No at Level 1, what happens next?

If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter will tell you if the service or item is primarily covered by Medicare and/or Medicaid.

- If your problem is about a **Medicaid** service or item, the letter will tell you that you may ask for a State Hearing. Refer to page 175 of this section for information on State Hearings.
- If your problem is about a **Medicare** service or item, you will automatically get a Level 2 Appeal with the Independent Review Entity (IRE) as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that could be primarily covered by **both Medicare and Medicaid**, you will automatically get a Level 2 Appeal with the IRE. The letter will tell you that you may also ask for a State Hearing. See below in this section for information on State Hearings.

What is a Level 2 Appeal?

A Level 2 Appeal is the second appeal regarding a service or item. The Level 2 Appeal is reviewed by an independent organization that is not connected to the plan.

My problem is about a Medicaid service or item. How can I make a Level 2 Appeal?

If we say **No** to your Appeal at Level 1 and the service or item is usually covered by Medicaid, you may ask for a State Hearing.

What is a State Hearing?

A State Hearing is a meeting with you or your authorized representative, our plan, and a hearing officer from the Bureau of State Hearings within the Ohio Department of Job and Family Services (ODJFS). You will explain why you think our plan did not make the right decision and we will explain why we made our decision. The hearing officer will listen and then decide who is right based on the information given and the rules.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

We will send you a notice in writing of your right to request a State Hearing. If you are on the MyCare Ohio Waiver, you may have other State Hearing rights. Please refer to your Home & Community-Based Services Waiver **Member Handbook** for more information about your rights.

How do I ask for a State Hearing?

To ask for a State Hearing, you or your authorized representative must contact the Bureau of State Hearings **within 90 calendar days** of the date that we sent the notice of your State Hearing rights. The 90 calendar days begins on the day after the mailing date on the notice. If you miss the 90 calendar day deadline and have a good reason for missing it, the Bureau of State Hearings may give you more time to request a hearing. Remember, you have to ask for a Level 1 Appeal before you can ask for a State Hearing.

NOTE: If you want someone to act on your behalf, including your doctor or other provider, you must give the Bureau of State Hearings written notice saying that you want that person to be your authorized representative.

You can sign and send the State Hearing form to the address or fax number listed on the form or submit your request by e-mail to **bsh@jfs.ohio.gov**. You can also call the Bureau of State Hearings at **1-866-635-3748**.

How long does it take to get a State Hearing decision?

State Hearing decisions are usually given no later than 70 calendar days after the Bureau of State Hearings gets your request. However, if the Bureau of State Hearings agrees that this timeframe could cause serious harm to your health or hurt your ability to function, the decision will be given as quickly as needed, but no later than 3 working days after the Bureau of State Hearings gets your request.

My problem is about a service or item that is covered by Medicare. What will happen at the Level 2 Appeal?

If we say No to your Appeal at Level 1 and the service or item is usually covered by Medicare, you will automatically get a Level 2 Appeal from the Independent Review Entity (IRE). An Independent Review Entity (IRE) will carefully review the Level 1 decision and decide whether it should be changed.

- You do not need to request the Level 2 Appeal. We will automatically send any denials (in whole or in part) to the IRE. You will be notified when this happens.
- The IRE is hired by Medicare and is not connected with this plan.
- You may ask for a copy of your file by calling Member Services at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week).

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

How long does it take to get an IRE decision?

- The IRE must give you an answer to your Level 2 Appeal within 30 calendar days of when it gets your appeal (or within 7 calendar days of when it gets your appeal for a Medicare Part B prescription drug). This rule applies if you sent your appeal before getting medical services or items.
 - However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.
- If you had "fast appeal" at Level 1, you will automatically have a fast appeal at Level 2. The IRE must give you an answer within 72 hours of when it gets your appeal.
 - However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

What if my service or item is covered by both Medicare and Medicaid?

If your problem is about a service or item that could be covered by both Medicare and Medicaid, we will automatically send your Level 2 Appeal to the Independent Review Entity. You can also ask for a State Hearing. To ask for a State hearing, follow the instructions in this section on page 175.

Will my benefits continue during Level 2 appeals?

If we decide to change or stop coverage for a service that was previously approved, *you can* ask to continue your benefits during Level 2 Appeals in some cases.

- If your problem is about a service primarily covered by **Medicaid only**, you can ask to continue your benefits during Level 2 appeals. You or your authorized representative must **ask for a State Hearing before the later of the following** to continue the service during the State Hearing:
 - Within 15 calendar days of the mailing date of our letter telling you that we denied your Level 1 appeal; **or**
 - The intended effective date of the action.
- If your problem is about a service primarily covered by **Medicare only**, your benefits for that service will **not** continue during the Level 2 appeal process with the Independent Review Entity (IRE).

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- If your problem is about a service primarily covered by **both Medicare and Medicaid**, your benefits for that service will automatically continue during the Level 2 appeal process with the IRE. If you also ask for a State Hearing, you can continue your benefits while the hearing is pending if you submit your request within the timeframes listed above.

If your benefits are continued, you can keep getting the service until one of the following happens: (1) you withdraw the appeal; (2) all entities that got your Level 2 Appeal (the IRE and/or Bureau of State Hearings) decide **No** to your request.

How will I find out about the decision?

If your Level 2 Appeal was a State Hearing, the Bureau of State Hearings will send you a written hearing decision in the mail.

- If the hearing decision is **Yes** (sustained) to all or part of what you asked for, the decision will clearly explain what our plan must do to address the issue. If you do not understand the decision or have a question about getting the service or payment being made, contact Member Services for assistance.
- If the hearing decision is **No** (overruled) to part or all of what you asked for, it means the Bureau of State Hearings agreed with the Level 1 decision. The State Hearing decision will explain the Bureau of State Hearings' reasons for saying No and will tell you that you have the right to request an Administrative Appeal.

If your Level 2 Appeal went to the Independent Review Entity (IRE), the Independent Review Entity (IRE) will send you a letter explaining its decision.

- If the IRE says **Yes** to part or all of what you asked for in your standard appeal, we must authorize the medical care coverage within 72 hours or give you the service or item within 14 calendar days from the date we get the IRE's decision. If you had a fast appeal, we must authorize the medical care coverage or give you the service or item within 72 hours from the date we get the IRE's decision.
- If the IRE says **Yes** to part or all of what you asked for in your standard appeal for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug within 72 hours after we get the IRE's decision. If you had a fast appeal, we must authorize or provide the Medicare Part B prescription drug within 24 hours from the date we get the IRE's decision.
- If the IRE says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called "upholding the decision." It is also called "turning down your appeal."

I appealed to both the Independent Review Entity and the Bureau of State Hearings for services covered by both Medicare and Medicaid. What if they have different decisions?

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

If either the Independent Review Entity or the Bureau of State Hearings decides **Yes** for all or part of what you asked for, we will give you the approved service or item that is closest to what you asked for in your appeal.

If the decision is No for all or part of what I asked for, can I make another appeal?

If your Level 2 Appeal was a State Hearing, you can appeal again by asking for an Administrative Appeal. The Bureau of State Hearings must get your request for an Administrative Appeal within 15 calendar days of the date the hearing decision was issued.

If your Level 2 Appeal went to the Independent Review Entity (IRE), you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. The letter you get from the IRE will explain additional appeal rights you may have.

Refer to Section I on page 202 for more information on additional levels of appeal.

Section E5 Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill. The only amount you should be asked to pay is the copay for Part D prescription drugs (refer to Chapter 6).

If you get a bill that is more than your copay for covered services and items, send the bill to us. You should not pay the bill yourself. We will contact the provider directly and take care of the problem. It is possible that we will pay the provider so they can refund your payment or the provider will agree to stop billing you for the service.

For more information, start by reading Chapter 7: Asking us to pay a bill you have gotten for covered services or drugs. Chapter 7 describes the situations in which you may need to ask us to assist you with payment you made to a provider or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment. Chapter 7 also gives information to help you avoid payment problems in the future.

Can I ask you to pay me back for a service or item I paid for?

Remember, if you get a bill that is more than your copay for covered services and items, you should not pay the bill yourself. But if you do pay the bill, you can get a refund if you followed the rules for getting services and items.

If you are asking to be paid back, you are asking for a coverage decision. We will find out if the service or item you paid for is a covered service or item, and we will check if you followed all the rules for using your coverage.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- If the service or item you paid for is covered and you followed all the rules, we will work with the provider to refund your payment except for any drug copays you owe.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered, or you did not follow all the rules, we will send you a letter telling you we will not pay for the service or item, and explaining why.

What if we say we will not pay?

If you do not agree with our decision, you can make an appeal. Follow the appeals process described in Section E3 on page 170. When you follow these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we get your appeal.
- If you are asking to be paid back for a service or item you already got and paid for yourself, you cannot ask for a fast appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicare, we will automatically send your case to the Independent Review Entity (IRE). We will notify you by letter if this happens.

- If the IRE reverses our decision and says we should make payment, we must send the payment to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to the provider within 60 calendar days.
- If the IRE says **No** to your appeal, it means they agree with our decision not to approve your request. (This is called "upholding the decision." It is also called "turning down your appeal.") The letter you get will explain additional appeal rights you may have. You can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. Refer to Section I on page 202 for more information on additional levels of appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicaid, you can request a State Hearing (refer to Section E4 on page 175).

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section F Part D drugs

Section F1 What to do if you have problems getting a Part D drug or you want your payment refunded for a Part D drug

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these drugs are “Part D drugs.” There are a few drugs that Medicare Part D does not cover but that Medicaid may cover. **This section only applies to Part D drug appeals.**

- The Drug List includes some drugs with an *. These drugs are **not** Part D drugs. Appeals or coverage decisions about drugs with an * follow the process in **Section E** on page 166.

Can I ask for a coverage decision or make an appeal about Part D prescription drugs?

Yes. Here are examples of coverage decisions you can ask us to make about your Part D drugs:

- You ask us to make an exception such as:
 - Asking us to cover a Part D drug that is not on the plan’s Drug List
 - Asking us to waive a restriction on the plan’s coverage for a drug (such as limits on the amount of the drug you can get)
- You ask us if a drug is covered for you (for example, when your drug is on the plan’s Drug List but we require you to get approval from us before we will cover it for you).
 - **NOTE:** If your pharmacy tells you that your prescription cannot be filled, you will get a notice explaining how to contact us to ask for a coverage decision.
- You ask us to pay for a prescription drug you already bought. This is asking for a coverage decision about payment. Remember, you should not have to pay for any medically necessary services covered by Medicare and Medicaid. If you are being asked to pay for the full cost of a drug, call Member Services for assistance.

The legal term for a coverage decision about your Part D drugs is **“coverage determination.”**

If you disagree with a coverage decision we have made, you can appeal our decision. This section tells you how to ask for coverage decisions **and** how to request an appeal.

Use the chart below to help you decide which section has information for your situation:

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Which of these situations are you in?			
Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?	Do you want us to cover a drug on our Drug List and you believe you meet any plan rules or restrictions (such as getting approval in advance) for the drug you need?	Do you want to ask us to pay you back for a drug you already got and paid for?	Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?
You can ask us to make an exception. (This is a type of coverage decision.) Start with Section F2 on page 182. Also refer to Sections F3 and F4 on pages 183 and 184.	You can ask us for a coverage decision. Skip ahead to Section F4 on page 184.	You can ask us to pay you back. (This is a type of coverage decision.) Skip ahead to Section F4 on page 184.	You can make an appeal. (This means you are asking us to reconsider.) Skip ahead to Section F5 on page 186.

Section F2 What an exception is

An exception is permission to get coverage for a drug that is not normally on our Drug List or to use the drug without certain rules and limitations. If a drug is not on our Drug List or is not covered in the way you would like, you can ask us to make an “exception.”

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception.

Here are examples of exceptions that you or your doctor or another prescriber can ask us to make:

1. Covering a Part D drug that is not on our Drug List.
 - If we agree to make an exception and cover a drug that is not on the Drug List, you will need to pay the cost-sharing amount that applies to all of our drugs. You cannot ask for an exception to the copay amount we require you to pay for the drug.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information,** visit **UHCCCommunityPlan.com**.

2. Removing a restriction on our coverage. There are extra rules or restrictions that apply to certain drugs on our Drug List (for more information, refer to Chapter 5 on page 97).

- The extra rules and restrictions on coverage for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting plan approval before we will agree to cover the drug for you. (This is sometimes called “prior authorization (PA).”)
 - Being required to try a different drug first before we will agree to cover the drug you are asking for. (This is sometimes called “step therapy.”)
 - Quantity limits. For some drugs, we limit the amount of the drug you can have.
- If we agree to make an exception and waive a restriction for you, you can still ask for an exception to the copay amount we require you to pay for the drug.

The legal term for asking for removal of a restriction on coverage for a drug is sometimes called asking for a “**formulary exception**.”

Section F3 Important things to know about asking for exceptions

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for requesting an exception. Our decision about the exception will be faster if you include this information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These are called “alternative” drugs. If an alternative drug would be just as effective as the drug you are asking for and would not cause more side effects or other health problems, we will generally not approve your request for an exception.

We will say Yes or No to your request for an exception

- If we say **Yes** to your request for an exception, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your request for an exception, you can ask for a review of our decision by making an appeal. Section F5 on page 186 tells how to make an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

Section F4 How to ask for a coverage decision about a Part D drug or reimbursement for a Part D Drug, including an exception

What to do

- Ask for the type of coverage decision you want. Call, write, or fax us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can call us at **1-877-542-9236 (TTY 711)** 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). Include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else who is acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Read Section B on page 160 to find out how to give permission to someone else to act as your representative.
- You do not need to give your doctor or other prescriber written permission to ask us for a coverage decision on your behalf.

At a glance: How to ask for a coverage decision about a Part D drug or payment

Call, write, or fax us to ask, or ask your representative or doctor or other prescriber to ask. We will give you an answer on a standard coverage decision within 72 hours. We will give you an answer on reimbursing you for a Part D drug you already paid for within 14 calendar days.

- If you are asking for an exception, include the supporting statement from the doctor or other prescriber.
 - You or your doctor or other prescriber may ask for a fast decision. (Fast decisions usually come within 24 hours.)
 - Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.
-
- If you paid for a drug that you think should be covered, read Chapter 7 on page 126 of this handbook. Chapter 7 tells how to call Member Services or send us the paperwork that asks us to cover the drug.
 - If you are asking for an exception, provide the “supporting statement.” Your doctor or other prescriber must give us the medical reasons for the drug exception. We call this the “supporting statement.”

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail a statement.

If your health requires it, ask us to give you a “fast coverage decision”

We will use the “standard deadlines” unless we have agreed to use the “fast deadlines.”

- A **standard coverage decision** means we will give you an answer within 72 hours after we get your doctor’s statement.
- A **fast coverage decision** means we will give you an answer within 24 hours after we get your doctor’s statement.

The legal term for “fast coverage decision” is “expedited coverage determination.”

- You can get a fast coverage decision **only if you are asking for a drug you have not yet received.** (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you already bought.)
- You can get a fast coverage decision **only if using the standard deadlines could cause serious harm to your health or hurt your ability to function.**
- If your doctor or other prescriber tells us that your health requires a “fast coverage decision,” we will automatically agree to give you a fast coverage decision, and the letter will tell you that.
- If you ask for a fast coverage decision on your own (without your doctor’s or other prescriber’s support), we will decide whether you get a fast coverage decision.
- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will use the standard deadlines instead.
- We will send you a letter telling you that. The letter will tell you how to make a complaint about our decision to give you a standard decision.
- You can file a “fast complaint” and get a response to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 203.

Deadlines for a “fast coverage decision”

- If we are using the fast deadlines, we must give you our answer within 24 hours. This means within 24 hours after we get your request. Or, if you are asking for an exception, this means within 24 hours after we get your doctor’s or prescriber’s statement supporting your request. If you think your health requires it, you should ask for a “fast appeal.”
- If we do not give you a decision within 7 calendar days, or 14 calendar days if you asked us to pay you back for a drug you already bought, we will send your request to Level 2 of the appeals process. At Level 2, an Independent Review Entity will review your appeal.

Section F6 Level 2 Appeal for Part D drugs

If we say **No** to part or all of your appeal, you can choose whether to accept this decision or make another appeal. If you decide to go on to a Level 2 Appeal, the Independent Review Entity (IRE) will review our decision.

- If you want the IRE to review your case, your appeal request must be in writing. The letter we send about our decision in the Level 1 Appeal will explain how to request the Level 2 Appeal.
- When you make an appeal to the IRE, we will automatically send them your case file. You have the right to ask us for a copy of your case file by calling Member Services at **1-877-542-9236** (TTY **711**), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week).
- You have a right to give the IRE other information to support your appeal.
- The IRE is an independent organization that is hired by Medicare. It is not connected with this plan and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal. The organization will send you a letter explaining its decision.

At a glance: How to make a Level 2 Appeal

If you want the Independent Review Entity to review your case, your appeal request must be in writing.

- Ask **within 60 calendar days** of the decision you are appealing. If you miss the deadline for a good reason, you may still appeal.
- You, your doctor or other prescriber, or your representative can request the Level 2 Appeal.
- Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

The legal term for an appeal to the IRE about a Part D drug is “**reconsideration.**”

Deadlines for “fast appeal” at Level 2

- If your health requires it, ask the Independent Review Entity (IRE) for a “fast appeal.”
- If the IRE agrees to give you a “fast appeal,” it must give you an answer to your Level 2 Appeal within 72 hours after getting your appeal request.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 24 hours after we get the decision.

Deadlines for “standard appeal” at Level 2

- If you have a standard appeal at Level 2, the Independent Review Entity (IRE) must give you an answer to your Level 2 Appeal within 7 calendar days after it gets your appeal, or 14 calendar days if you asked us to pay you back for a drug you already bought.
 - If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 72 hours after we get the decision.
 - If the IRE approves a request to cover a drug you already paid for, we will pay the pharmacy within 30 calendar days after we get the decision. The pharmacy will refund your money less any copay you owe.

What if the Independent Review Entity says No to your Level 2 Appeal?

No means the Independent Review Entity (IRE) agrees with our decision not to approve your request. This is called “upholding the decision.” It is also called “turning down your appeal.”

If you want to go to Level 3 of the appeals process, the drugs you are requesting must meet a minimum dollar value. If the dollar value is less than the minimum, you cannot appeal any further. If the dollar value is high enough, you can ask for a Level 3 appeal. The letter you get from the IRE with the decision of your Level 2 appeal will tell you the dollar value needed to continue with the appeal process.

Section G Asking us to cover a longer hospital stay

When you are admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day when you leave the hospital. They will also help arrange for any care you may need after you leave.

- The day you leave the hospital is called your “discharge date.”
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay. This section tells you how to ask.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section G1 Learning about your Medicare rights

Within two days after you are admitted to the hospital, a caseworker or nurse will give you a notice called An Important Message from Medicare about Your Rights. If you do not get this notice, ask any hospital employee for it. If you need help, please call Member Services at **1-877-542-9236** (TTY **711**), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). You can also call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Read this notice carefully and ask questions if you don't understand. The Important Message tells you about your rights as a hospital patient, including your rights to:

- Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
- Be a part of any decisions about the length of your hospital stay.
- Know where to report any concerns you have about the quality of your hospital care.
- Appeal if you think you are being discharged from the hospital too soon.

You should sign the Medicare notice to show that you got it and understand your rights. Signing the notice does **not** mean you agree to the discharge date that may have been told to you by your doctor or hospital staff.

Keep your copy of the signed notice so you will have the information in it if you need it.

- To look at a copy of this notice in advance, you can call Member Services at **1-877-542-9236** (TTY **711**), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). You can also call **1-800 MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. The call is free.

You can also refer to the notice online at **[cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html](https://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html)**.

- If you need help, please call Member Services or Medicare at the numbers listed above.

Section G2 Level 1 Appeal to change your hospital discharge date

 - **If you miss the deadline** for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to our plan instead. For details, refer to Section G4 on page 195.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by the federal government to check on and help improve the quality of care for people with Medicare.

Ask for a “fast review”

You must ask the Quality Improvement Organization for a **“fast review”** of your discharge. Asking for a “fast review” means you are asking the organization to use the fast deadlines for an appeal instead of using the standard deadlines.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

The legal term for “fast review” is “**immediate review.**”

What happens during the fast review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage should continue after the planned discharge date. You don’t have to prepare anything in writing, but you may do so if you wish.
- The reviewers will look at your medical record, talk with your doctor, and review all of the information related to your hospital stay.
- By noon of the day after the reviewers tell us about your appeal, you will get a letter that gives your planned discharge date. The letter explains the reasons why your doctor, the hospital, and we think it is right for you to be discharged on that date.

The legal term for this written explanation is called the “**Detailed Notice of Discharge.**”

You can get a sample by calling Member Services at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). You can also call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you can refer to a sample notice online at **cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.html**

What if the answer is Yes?

- If the Quality Improvement Organization says **Yes** to your appeal, we must keep covering your hospital services for as long as they are medically necessary.

What if the answer is No?

- If the Quality Improvement Organization says **No** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization says **No** and you decide to stay in the hospital, then you may have to pay for your continued stay at the hospital. The cost of the hospital care that you may have to pay begins at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization turns down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236 (TTY 711)**, 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

Section G3 Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. You will need to contact the Quality Improvement Organization again and ask for another review.

Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

In Ohio, the Quality Improvement Organization is called Livanta. You can reach Livanta at:
1-888-524-9900.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will make a decision.

At a glance: How to make a Level 2 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at **1-888-524-9900** and ask for another review.

What happens if the answer is Yes?

- We must pay you back for our share of the costs of hospital care you got since noon on the day after the date of your first appeal decision. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs and coverage limitations may apply.

What happens if the answer is No?

It means the Quality Improvement Organization agrees with the Level 1 decision and will not change it. The letter you get will tell you what you can do if you wish to continue with the appeal process.

If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). Section G4 What happens if you miss an appeal deadline

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to change your hospital discharge date

If you miss the deadline for contacting the Quality Improvement Organization (which is within 60 days or no later than your planned discharge date, whichever comes first), you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your hospital stay. We check to find out if the decision about when you should leave the hospital was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. This means we will give you our decision within 72 hours after you ask for a “fast review.”

At a glance: How to make a Level 1 Alternate Appeal

Call our Member Services number and ask for a “fast review” of your hospital discharge date. We will give you our decision within 72 hours.

- **If we say Yes to your fast review**, it means we agree that you still need to be in the hospital after the discharge date. We will keep covering hospital services for as long as it is medically necessary.
 - It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No to your fast review**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends on the day we said coverage would end.
 - If you stayed in the hospital after your planned discharge date, then **you may have to pay the full cost** of hospital care you got after the planned discharge date.
- To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the “Independent Review Entity.” When we do this, it means that your case is automatically going to Level 2 of the appeals process.

The legal term for “fast review” or “fast appeal” is “**expedited appeal**.”

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). Level 2 Alternate Appeal to change your hospital discharge date

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 203 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your “fast review.” This organization decides whether the decision we made should be changed.

- The IRE does a “fast review” of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency
- Reviewers at the IRE will take a careful look at all of the information related to your appeal of your hospital discharge.
- If the IRE says **Yes** to your appeal, then we must pay you back for our share of the costs of hospital care you got since the date of your planned discharge. We must also continue our coverage of your hospital services for as long as it is medically necessary.
- If the IRE says **No** to your appeal, it means they agree with us that your planned hospital discharge date was medically appropriate.
- The letter you get from the IRE will tell you what you can do if you wish to continue with the review process. It will give you the details about how to go on to a Level 3 Appeal, which is handled by a judge.

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

Section H What to do if you think your Medicare home health care, skilled nursing care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon

This section is about the following types of care only when they are covered by Medicare:

- Home health care services.
- Skilled nursing care in a skilled nursing facility.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- Rehabilitation care you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation.
 - With any of these three types of care, you have the right to keep getting covered services for as long as the doctor says you need it.
 - When we decide to stop covering any of these, we must tell you before your services end. When your coverage for that care ends, we will stop paying for your care.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

Section H1 We will tell you in advance when your coverage will be ending

You will get a notice at least two days before we stop paying for your care. This is called the “Notice of Medicare Non-Coverage.” The written notice tells you the date we will stop covering your care and how to appeal this decision.

You or your representative should sign the written notice to show that you got it. Signing it does **not** mean you agree with the plan that it is time to stop getting the care.

When your coverage ends, we will stop paying the cost for your care.

Section H2 Level 1 Appeal to continue your care

If you think we are ending coverage of your care too soon, you can appeal our decision. This section tells you how to ask for an appeal.

Before you start your appeal, understand what you need to do and what the deadlines are.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. (If you think we are not meeting our deadlines, you can file a complaint. Section J on page 203 tells you how to file a complaint.)
- **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at **1-877-542-9236 (TTY 711)** 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week). Or call the MyCare Ohio Ombudsman at **1-800-282-1206** (TTY Ohio Relay Service: **1-800-750-0750**).

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

During a Level 1 Appeal, a Quality Improvement Organization will review your appeal and decide whether to change the decision we made. In Ohio, the Quality Improvement Organization is called Livanta. You can reach Livanta at: **1-888-524-9900**. Information about appealing to the Quality Improvement Organization is also in the Notice of Medicare Non-Coverage. This is the notice you got when you were told we would stop covering your care.

What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by the federal government to check on and help improve the quality of care for people with Medicare.

At a glance: How to make a Level 1 Appeal to ask the plan to continue your care

Call the Quality Improvement Organization for your state at 1-888-524-9900 and ask a “fast-track appeal.”

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What should you ask for?

Ask them for a “fast-track appeal.” This is an independent review of whether it is medically appropriate for us to end coverage for your services.

What is your deadline for contacting this organization?

- You must contact the Quality Improvement Organization no later than noon of the day after you got the written notice telling you when we will stop covering your care.
- If you miss the deadline for contacting the Quality Improvement Organization about your appeal, you can make your appeal directly to us instead. For details about this other way to make your appeal, refer to Section H4 on page 200.

The legal term for the written notice is “**Notice of Medicare Non-Coverage.**” To get a sample copy, call Member Services at **1-877-542-9236** (TTY 711) 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day, 7 days a week) or **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**. Or refer to a copy online at **cms.gov/medicare/medicare-general-information/bni**

What happens during the Quality Improvement Organization’s review?

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). - The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage for the services should continue. You don't have to prepare anything in writing, but you may do so if you wish.
- When you ask for an appeal, the plan must write a letter to you and the Quality Improvement Organization explaining why your services should end.
- The reviewers will also look at your medical records, talk with your doctor, and review information that our plan has given to them.
- **Within one full day after reviewers have all the information they need, they will tell you their decision.** You will get a letter explaining the decision.

The legal term for the letter explaining why your services should end is “**Detailed Explanation of Non-Coverage.**”

What happens if the reviewers say Yes?

- If the reviewers say **Yes** to your appeal, then we must keep providing your covered services for as long as they are medically necessary.

What happens if the reviewers say No?

- If the reviewers say **No** to your appeal, then your coverage will end on the date we told you. We will stop paying our share of the costs of this care.
- If you decide to keep getting the home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date your coverage ends, then you will have to pay the full cost of this care yourself.

Section H3 Level 2 Appeal to continue your care

If the Quality Improvement Organization said **No** to the appeal **and** you choose to continue getting care after your coverage for the care has ended, you can make a Level 2 Appeal.

During the Level 2 Appeal, the Quality Improvement Organization will take another look at the decision they made at Level 1. If they say they agree with the Level 1 decision, you may have to pay the full cost for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services after the date when we said your coverage would end.

In Ohio, the Quality Improvement Organization is called Livanta. You can reach Livanta at: **1-888-524-9900**. Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you continued getting care after the date that your coverage for the care ended.

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCommunityPlan.com**.

- Reviewers at the Quality Improvement Organization will take another careful look at all of the information related to your appeal.
- The Quality Improvement Organization will make its decision within 14 calendar days of receipt of your appeal request.

What happens if the review organization says Yes?

- We must pay you back for our share of the costs of care you got since the date when we said your coverage would end. We must continue providing coverage for the care for as long as it is medically necessary.

At a glance: How to make a Level 2 Appeal to require that the plan cover your care for longer

Call the Quality Improvement Organization for your state at 1-888-524-9900 and ask for another review.

Call before you leave the agency or facility that is providing your care and before your planned discharge date.

What happens if the review organization says No?

- It means they agree with the decision they made on the Level 1 Appeal and will not change it.
- The letter you get will tell you what to do if you wish to continue with the review process. It will give you the details about how to go on to the next level of appeal, which is handled by a judge.

Section H4 What happens if you miss the deadline for making your Level 1 Appeal

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to continue your care for longer

If you miss the deadline for contacting the Quality Improvement Organization, you can make an appeal to us, asking for a “fast review.” A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your home health care, skilled nursing facility care, or care you are getting at a Comprehensive Outpatient Rehabilitation Facility (CORF). We check to find out if the decision about when your services should end was fair and followed all the rules.
- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. We will give you our decision within 72 hours after you ask for a “fast review.”

If you have questions or need to speak with your care manager, please call UnitedHealthcare Connected® for MyCare Ohio at **1-877-542-9236** (TTY 711), 8 a.m.–8 p.m. local time, Monday–Friday (voicemail available 24 hours a day/7 days a week). If your need is urgent, you may call the Nurse Hotline at **1-800-542-8630**, 24 hours a day/7 days a week. These calls are free. **For more information**, visit **UHCCCommunityPlan.com**.

- **If we say Yes** to your fast review, it means we agree that we will keep covering your services for as long as it is medically necessary. It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No** to your fast review, we are saying that stopping your services was medically appropriate. Our coverage ends as of the day we said coverage would end.

If you continue getting services after the day we said they would stop, **you may have to pay the full cost** of the services. To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the “Independent Review Entity.” When we do this, it means that your case is automatically going to Level 2 of the appeals process

At a glance: How to make a Level 2 Appeal to require that the plan continue your care

You do not have to do anything. The plan will automatically send your appeal to the Independent Review Entity.

Section I Taking your appeal beyond Level 2

Section I1 Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both your appeals have been turned down, you may have the right to additional levels of appeal. The letter you get from the Independent Review Entity will tell you what to do if you wish to continue the appeals process.

Level 3 of the appeals process is an Administrative Law Judge (ALJ) hearing. The person who makes the decision in a Level 3 appeal is an ALJ or an attorney adjudicator. If you want an ALJ or attorney adjudicator to review your case, the item or medical service you are requesting must meet a minimum dollar amount. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, you can ask an ALJ or attorney adjudicator to hear your appeal.

If you do not agree with the ALJ or attorney adjudicator's decision, you can contact the Medicare Appeals Council. After that, you may have the right to ask a federal court to look at your appeal.

If you need assistance at any stage of the appeals process, you can contact the MyCare Ohio Ombudsman. The phone number is **1-800-282-1206** (TTY Ohio Relay Service: **1-800-750-0750**).

Section I2 Next steps for Medicaid services and items

If you had a State Hearing for services covered by Medicaid and your State Hearing decision was overruled (not in your favor), you also have the right to additional appeals. The State Hearing decision notice will explain how to request an Administrative Appeal by submitting your request to the Bureau of State Hearings. The Bureau of State Hearings must get your request within 15

Definitions of important words

Introduction

This chapter includes key terms used throughout the **Member Handbook** with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

Activities of daily living (Chapter 2, Section A): the things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

Ambulatory surgical center (Chapter 4, Section D): a facility that provides outpatient surgical services to patients who do not need hospital care and who are not expected to need more than 24 hours of care in the facility.

Appeal (Chapter 1, Section I): a formal way for you to challenge our decision if you think we made a mistake. You can ask us to change or reverse our decision by filing an appeal. For example, you may ask for an appeal if we don't pay for a drug, item, or service you think you should be able to receive. Chapter 9 explains appeals, including telling you how to make an appeal.

Behavioral health services (Chapter 3, Section F): treatments for mental health and substance use.

Biological product: A prescription drug that is made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and cannot be copied exactly, so alternative forms are called biosimilars. Biosimilars generally work just as well, and are as safe, as the original biological products.

Brand-name drug (Chapter 6, Section D): a prescription drug that is made and sold by the company that first made the drug. Brand-name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are made and sold by other drug companies.

Catastrophic-coverage stage (Chapter 6, Section C): the part of the Part D drug benefit where the plan pays all of the costs of your drugs until the end of the year. You begin this stage when you have reached the \$8,000 limit for your prescription drugs.

Complaint or Grievance (Chapter 2, Section A): a written or spoken statement saying that you have a concern about your covered services or care. This includes any concerns about the quality of your care, our network providers, or our network pharmacies.

Covered drugs (Chapter 1, Section J): the term we use to mean all of the drugs that our plan covers.

Covered services (Chapter 2, Section A): the general term we use to mean all of the health care, long-term services and supports, supplies, prescription and over-the-counter drugs, equipment, and other services that our plan covers.

Daily cost-sharing rate (Chapter 6, Section F): a rate that may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you are required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month's supply. Here is an example: If your copay for a one-month supply of a drug is \$30, and a one-month's supply in your plan is 30 days, then your "daily cost-sharing rate" is \$1 per day. This means you pay \$1 for each day's supply when you fill your prescription.

Disenrollment (Chapter 10, Section A): the process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice, for example if you are no longer eligible for Medicaid).

Durable medical equipment (DME) (Chapter 4, Section D): Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency (Chapter 3, Section H): a medical condition that a prudent layperson with an average knowledge of health and medicine, would expect is so serious that if it does not get immediate medical attention it could result in death, serious dysfunction of a body organ or part, or harm to the function of a body part, or, with respect to a pregnant woman, place her or her unborn child's physical or mental health in serious jeopardy. Medical symptoms of an emergency include severe pain, difficulty breathing, or uncontrolled bleeding. Mental health symptoms of an emergency or non-life threatening emergency include: threat of suicide, homicide or self-injury, mania or psychosis that needs immediate medical attention.

Generic drug (Chapter 6, Section D): a prescription drug that is approved by the federal government to use in place of a brand-name drug. A generic drug has the same ingredients as a brand-name drug. It is usually cheaper and works just as well as the brand-name drug.

Home health aides do not have a nursing license or provide therapy.

Refer to Chapter 2 or information about how to contact Medicaid.

Medically necessary (Chapter 3, Section B): means health care services, supplies, or drugs needed for the prevention, diagnosis, or treatment of your sickness, injury or illness that are all of the following as determined by us or our designee, within our sole discretion:

These are standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, relying primarily on controlled clinical trials, or, if not available, observational studies from more than one institution that suggest a causal relationship between the service or treatment and health outcomes.

If no credible scientific evidence is available, then standards that are based on Physician specialty society recommendations or professional standards of care may be considered. We reserve the right to consult expert opinion in determining whether health care services are Medically Necessary. Physician specialty society recommendations, the choice of expert and the determination of when to use any such expert opinion, shall be within our sole discretion.
